31. 10. 1991

1. The first thing I noticed when I stepped  
 out of the car was the smell of the sea.  
 It was a salty, fresh, and invigorating  
 scent that I had never experienced before.  
 The air was crisp and clean, and the  
 sound of the waves crashing against the shore  
 was a soothing melody that filled my ears.  
 I had heard that the beach was beautiful,  
 but I had no idea how amazing it would be.  
 The sand was soft and warm, and the water  
 was a perfect temperature. I had found  
 the perfect spot to relax and enjoy the view.  
 The sun was shining brightly, and the  
 sky was a clear, vibrant blue. I had  
 found the perfect place to escape the city  
 and enjoy the beauty of nature.

The 26th December, 1851.

The following draft of a proposed Act was read in Council for the first time on the 26th December 1851.

ACT NO. — OF 1851.

*An Act to facilitate the acquisition of Land needed for public purposes in the Presidency of Fort St. George.*

I. Whenever it shall appear to the Governor of Fort St. George in Council that any land is needed for a public purpose, he shall make a declaration to that effect in a Minute of Council, and such declaration shall be conclusive evidence that the purpose for which the land is needed is a public purpose.

II. When a declaration has been made by the Governor in Council that any land is needed for a public purpose, if there shall be any hindrance to the immediate acquisition of such land by purchase from the parties interested therein, it shall be competent to the Governor in Council to order the land to be taken possession of on the part of Government and applied to the purpose for which it is needed, leaving claims for compensation for the land to be determined — hereinafter provided.

III. When such order is passed by the Governor in Council it shall be sent to the Collector of the District in which the land lies, or to such other Officer as the Governor in Council shall think fit to appoint to carry it into execution, and the Collector or other Officer so appointed, shall cause the land ordered to be taken to be marked out and measured, and possession to be taken thereof on behalf of Government, and the land shall thenceforward be vested absolutely in the Government, free and clear of all other estates, rights, titles, remainders, reversions, limitations, trusts and interests, and also of all mortgages, liens, or incumbrances whatsoever, of and in the land so taken as aforesaid, and any suit which may be instituted to recover the land so taken by Government in any Court of Judicature, shall be dismissed with costs. Provided always, that nothing herein contained shall affect the liability of the party who may receive the value of any land so taken by Government, without having a good title to the same.

IV. As soon as the land has been marked out, the Collector or other Officer appointed as aforesaid, shall cause the order in Council to be affixed in some conspicuous place upon the land, and published by proclamation in the neighbouring bazars and villages, with a citation, calling on all parties interested in the land, to appear before him in person, or by authorized agents, on a certain day, not less than fifteen days after the date of citation, and to state the nature of their interests in the land required, and the amount and particulars of their claims to compensation for the same.

V. It shall be competent to the said Collector or other Officer appointed as aforesaid, to admit any such claims that appear to him to be valid, and if he and all the parties interested in the land agree as to the compensation to be allowed to them respectively, to pass an award for the same.

VI. If the said Collector or Officer shall judge any of the claims preferred to be inadmissible, and the parties interested in the land or any of them shall nevertheless persist in such claims, or if the said Collector or Officer, admitting the interests claimed, shall object to the compensation demanded—

ed for the same, as excessive, the points in dispute shall be referred to the determination of arbitrators, to be appointed in the manner hereinafter provided.

VII. Two persons shall be chosen to act as arbitrators on the part of Government, by the Collector or other Officer duly appointed as aforesaid, and the parties claiming to be interested in the land taken shall be called upon by the said Collector or Officer to elect, within fifteen days, two persons to act as arbitrators on his or their part. If there be several parties interested as aforesaid, and they cannot agree within the required period in the election of persons to act as arbitrators on their behalf, then and in that case, each of them shall nominate one person, whom he may desire to act on his behalf, and the said Collector or Officer shall choose by lot, out of the persons so nominated by the parties aforesaid, or by any of them, two persons to act as arbitrators on behalf of the parties interested in the land. If only two persons shall be so nominated by the parties interested in the land, they shall be the arbitrators on behalf of such parties, whether the whole of the parties interested as aforesaid, may or may not have been concerned in their nomination. If only one person shall be so nominated, then only one of the persons selected to act as arbitrators on the part of Government, shall be employed on the duty. If the parties interested in the land shall refuse or neglect, or if, by reason of minority, lunacy or absence from the Presidency, they shall be unable to make any nomination within the required period, then the said Collector or Officer shall and may select two impartial persons to arbitrate the matter between Government and the parties interested in the land.

VIII. Before the arbitrators proceed to arbitrate, they shall be required by the said Collector or Officer, to appoint an umpire for the decision of any points whereon they may differ in opinion, when the voices on each side shall be equal. If the arbitrators cannot agree in the selection of an umpire, the said Collector or Officer shall be authorized to choose some person to act as such.

IX. In cases wherein the arbitrators may differ in opinion, if the voices on each side shall be equal, the decision of the umpire on the point of difference shall be conclusive. In all other cases, the opinion of the majority of arbitrators shall determine the award.

X. The arbitrators shall hold their inquiry under the general superintendence of the Collector or other Officer appointed as aforesaid, who shall be competent to exercise towards them such powers and authority for the purpose of securing their attendance, and the due completion of their award, as the Courts of Judicature may legally exercise towards persons summoned as witnesses before them, for the purpose of compelling such witnesses to attend and give evidence. It shall further be competent to the Officer presiding, in the event of any unnecessary delay on the part of arbitrators, in determining any question referred to them, to call upon them to make their award within a specified time, and in default thereof, to refer such question to the umpire for his decision.

XI. The said Collector or other Officer appointed as aforesaid shall, on the application of the arbitrators, summon any witnesses whom the arbitrators may call for, and whom the parties may not be able to produce before them without such process. He shall also cause the proper forms of affirmation to be executed by any witnesses whom the arbitrators may desire to examine upon affirmation, or he may empower the arbitrators to

administer, or cause the execution of such affirmation, if the witnesses cannot with convenience attend before him. Any witness who shall refuse or omit to appear when duly summoned by such Collector or Officer, or who shall appear but shall refuse to execute the affirmation to be administered as aforesaid, or who shall refuse to give evidence, shall be liable to the same punishment which would be incurred under the Law by a witness refusing to appear or give evidence before a Court of Justice. Any person giving intentionally and deliberately a false deposition, under a solemn affirmation in any case referred to arbitration as above, and upon a point material to the issue thereof, shall be held to be guilty of perjury, and shall be liable to the penalties prescribed for that offence by Law; and any person causing or procuring another person to commit the offence of perjury, as above described, shall be guilty of subornation of perjury and punishable according to Law.

XII. It shall also be competent to the Collector or other Officer appointed as aforesaid, to demand from the parties interested in the land so taken as aforesaid, the production of any accounts, title deeds, or other documents which may be required by the arbitrators for the purposes of their inquiry, and in the event of such accounts, title deeds, or documents being withheld, and the fact of their existence being proved by information given upon solemn affirmation, to order the seizure of such accounts, title deeds, and documents wherever they may have been deposited, in the manner prescribed by Section IX, Regulation IX. of 1822 of the Madras Code, and to exercise for that purpose the powers thereby vested in Collectors.

XIII. The arbitrators shall take into consideration the statements of the parties interested in the said land, and the objections of the Collector or other Officer aforesaid on behalf of Government, and after examining the evidence offered on both sides, and making any further inquiry that may appear to them necessary, shall pass their award allowing or disallowing the interests claimed, and determining the total amount of compensation to be given for the interests allowed, the mode in which it is to be given, and if to be given to more than one party, the shares of the total compensation which each party shall be entitled to receive.

XIV. The award of the arbitrators, or of the umpire, if he shall be called upon to make an award, shall be binding and conclusive both upon the Government and the parties interested in the land, as respects the gross amount of the compensation to be paid by Government, unless the award shall be set aside by the Civil Court of the zillah upon a charge of corruption against the arbitrators, or the umpire, as the case may be, brought by either party, and proved after due investigation, to the satisfaction of such Court; in which case the matter shall be referred for the determination of a second set of arbitrators, to be chosen in the same manner as the first, and their decision, whatever it may be, shall be final. No petition ■ set aside an award made under this Act shall be received by the Civil Court of the zillah, unless it be presented within thirty days from the date of the award complained of; and the said petition shall be presented on stamp paper of the value used for miscellaneous petitions, and shall be accompanied with a copy of the award objected to. The award of the arbitrators or umpire shall also be binding as respects the shares to be paid to the several parties interested in the land, unless upon a suit instituted within thirty days from the date of the award, in a competent Court, by any of the parties concerned, to alter the

apportionment made by such award, an injunction shall be issued to suspend the payment until a decree is passed in the case.

XV. If any question arises as to the previous possession of or title to any land taken by Government under this Act, or if the parties, or any of them interested in the land are minors, lunatics, or absent as aforesaid, and are not represented by their guardian, committee, attorney, or other person authorized in that behalf, or if there exist other grounds which, in the judgment of the arbitrators, render it improper to make immediate payment of the compensation awarded by them, or of any part thereof, to any of the parties interested in such land, the said arbitrators shall certify the same to the said Collector or Officer, under whose directions they may act, and in such case, or if for any such reason, or any such ground as aforesaid the said Collector or other Officer shall deem immediate payment improper, then the amount of compensation payable shall be held in deposit by Government, until the parties interested in the said land or some of them shall obtain an order of a competent Court for the payment of the same and interest (if any) to them. All sums held in deposit as aforesaid, exceeding in amount the sum of Rupees shall be invested in Government Securities.

XVI. On the close of the inquiry, the arbitrators or umpire shall deliver to the Collector or other Officer appointed as aforesaid, a full and complete report and award upon the questions submitted to their arbitration, under their respective signatures, specifying the amount of compensation to be granted, and, (except where under Section XV., it may appear proper to suspend payment,) the parties to whom it is to be made, and the proportions to be paid to each respectively, with a solemn declaration subscribed thereto, that the award so given, is, to the best of their judgment, true and impartial, and according to the evidence adduced before them, and they shall at the same time deposit with the said Collector or Officer the whole of their proceedings.

XVII. All suits and proceedings instituted against Government to obtain compensation for land taken as aforesaid, other than such petitions to set aside awards as aforesaid, shall be dismissed with costs, but nothing herein contained shall affect the rights of any party to recover the value of any land taken by Government from any person who may have received the same without having any title thereto.

XVIII. In the case of land declared by a Minute of the Governor in Council to be needed for a public purpose being acquired by the Government by bargain with and purchase from the parties apparently interested therein, the Collector or Officer appointed by Government to receive possession of the same, shall cause proclamation to be made in the manner prescribed in the 4th Section of this Act, of the transfer of the land to Government, by the said parties, and requiring all other persons who may claim any right, title or interest in such land, to prefer their claims within One Calendar month after such proclamation made, and any claims that may be preferred shall be dealt with under Section V. or under Section VI. and the following Sections of this Act. Provided always, that if no claim shall be made within One Calendar month after such proclamation as aforesaid, the said land shall vest absolutely in the Government, free and clear of all other estates, rights, titles, remainders, reversions, limitations, trusts, interests, mortgages, liens or incumbrances

whatsoever of and in the said land so purchased, and any suit to recover the land so purchased by Government, or to obtain from Government compensation for the loss thereof, which may be preferred in any Court of Judicature, shall be dismissed with costs. But nothing herein contained shall affect the liability of the party who may receive the value of any land purchased by Government without having a good title to the same.

XIX. In cases referred to arbitration, under the provisions of this Act, any necessary expense which may attend the inquiry of the arbitration, whether for the diet of witnesses or otherwise, shall be paid by Government.

XX. The provisions of Act XLIII. of 1850, shall be applicable and in force within the Madras Presidency; and the said Act shall be construed as if instead of the words and figures "Regulation I. of 1824 of the Bengal Code" or "the said Regulation" therein mentioned, the number and title of this Act had been therein inserted.

XXI. The following words and expressions in this Act shall have the several meanings hereby assigned to them, unless there be something either in the subject or context repugnant to such construction (that is to say.)

Words importing the singular number only shall include the plural, and words importing the plural number only shall include the singular.

Words importing the masculine gender only shall include females.

The word "land" shall extend to tenements and hereditaments of any tenure, and all houses, buildings, walls or appurtenants thereupon, as well as land.

The expression "party or parties interested in the land" shall be understood to mean all parties interested in the land either for life or for years, or in remainder, reversion, or succession, and all trustees, *cestui que* trusts, mortgagees, incumbrancers, leaseholders or tenants, not being tenants by the month or at will of such land.

## NOTICE TO MARINERS.

### HOY SOUND LIGHTHOUSES.

THE Commissioners of the Northern Lighthouses  
hereby give Notice, that two Lighthouses have  
been built upon the Island of Gremsey, lying in  
Hoy Sound, opposite Stromness, in Orkney, the  
Lights of which were exhibited on the Night of  
Thursday, the 15th of May 1851.

The following is a Specification of the position of  
the Lighthouses and of the Appearance of the  
Lights, by Mr. ALAN STEVENSON, Engineer to  
the Commissioners:—

The High Lighthouse is N. Lat.  $58^{\circ} 56' 09''$ , and  
W. Long.  $3^{\circ} 16' 33''$ . By Compass, the Lighthouses  
bear from each other S.E.  $\frac{1}{4}$  E. and N.W.  $\frac{1}{4}$  W.  
The High Light, towards the Western Entrance  
of Hoy Sound, is a FIXED RED LIGHT, and the  
Low Light is a FIXED BRIGHT LIGHT. When  
seen in one line, they lead through the Western  
Entrance to Hoy Sound, in the fairway, between  
the Bow Rock, off the Hoy Shore—and Kirk  
Rock, off the Stromness Shore. After running in  
on this line to the point A in the annexed Chart,\*  
half-a-mile off the Low Light, where the depth  
is about 8 fathoms, the High Red Light is sud-  
denly eclipsed by the land; and it is then time to  
haul towards the Stromness Shore, when the Red  
Light will immediately re-appear.

The High Light is elevated 115 Feet above the  
Sea; but, being a FIXED RED LIGHT, it is not  
seen at a greater distance than about 10 Nautic  
Miles. It illuminates a small Arc toward the  
S.E. from S.E. by E. to S.E.  $\frac{1}{4}$  S., facing the  
Western Entrance to Hoy Sound. Toward  
Stromness, the High Tower shows a FIXED  
BRIGHT LIGHT, from S.S.E.  $\frac{1}{4}$  E. to W.S.W.

The Low Light, as already stated, is known to  
Mariners as a FIXED BRIGHT LIGHT. It is ele-  
vated 55 Feet above the Sea, is seen at the dis-  
tance of 7 Nautic Miles, and at lesser distances,  
according to the state of the weather. The Arc  
illuminated by this Light extends from E.  $\frac{1}{4}$  S. to  
W.  $\frac{1}{4}$  N., and faces Northward.

Notice is also hereby given, that towards the  
Islands of Cava and Risa, a FIXED BRIGHT  
LIGHT, illuminating a small Arc between N.  $\frac{1}{4}$  W.  
and N.N.W.  $\frac{1}{4}$  W. will be shown from the High  
Tower, on the night of Friday, 1st August 1851,  
and every night thereafter, from Sunset to Sun-  
rise, in addition to those already lighted and  
described above. This Light is intended to serve  
as a guide to Vessels approaching Stromness from  
the Eastward.

The whole of the above Descriptions and In-  
structions will be more easily understood by an  
inspection of the accompanying small Chart.\*

N. B.—The Variation of the Compass is  $27^{\circ} 47'$  W.

[\* It has been found impracticable to publish this Chart  
without having it lithographed.]

The Commissioners hereby further give Notice,  
that by virtue of a Warrant from the Queen in  
Council, dated 14th August 1850, the following  
Tolls are now levied in respect of these Lights;  
viz:—

"For every vessel belonging to the United Kingdom  
"of Great Britain and Ireland (the same not belonging  
"to Her Majesty, her heirs and successors, or being  
"navigated wholly in ballast), and for every Foreign  
"Vessel which, by any Act of Parliament, Order, in

11th. The Officer superintending the Sale, on the part of the Board of Revenue, is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid, or Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bona fide* bidder, for a lot after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the 2nd Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of Twenty-five lots, and for the lots so purchased, the purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, or Rupees 1,000 for each lot, and pay the same price per Chest as that for which he purchased his first lot, provided always that there remain a sufficient number of lots of that Opium to complete the said Twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue.

No. 1.—Certificate of the Opium now advertised for Sale.

No. 2.—Report of the examination of such Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1850-51, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue, and further, that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two pre-

ceding years, will be also shewn to the purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information respecting weight or quality of the Opium advertised for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium or adulteration of the Drug, which may be preferred in reference to Chests after the sale and delivery of the Opium for shipment.

18th. The public are hereby informed, that in addition to the quantity above-mentioned the following quantities, more or less, of Behar and Benares Opium of 1850-51, will be brought to Sale in the year 1852, on or about the dates specified below :

shall not make the requisition for Opium within the time above-mentioned, the entire quantity of about 33,561 Chests of Behar and Benares, as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article 6th. "With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that article there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed Three Hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale; it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the Three Hundred Chests hereinbefore mentioned: the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

Fort William, Home Department, Legislative

The 26th December, 1851.

The following draft of a proposed Act was read in Council for the first time on the 26th December 1851.

ACT NO. — OF 1851.

An Act to facilitate the acquisition of Land needed for public purposes in the Presidency of Fort St. George.

I. Whenever it shall appear to the Governor of Fort St. George in Council that any land is needed for a public purpose, he shall make a declaration to that effect in a Minute of Council, and such declaration shall be conclusive evidence that the purpose for which the land is needed is a public purpose.

II. When a declaration has been made by the Governor in Council that any land is needed for a public purpose, if there shall be any hindrance to

the immediate acquisition of such land by purchase from the parties interested therein, it shall be competent to the Governor in Council to order the land to be taken possession of on the part of Government and applied to the purpose for which it is needed, leaving claims for compensation for the land to be determined as hereinafter provided.

III. When such order is passed by the Governor in Council it shall be sent to the Collector of the District in which the land lies, or to such other Officer as the Governor in Council shall think fit to appoint to carry it into execution, and the Collector or other Officer so appointed, shall cause the land ordered to be taken to be marked out and measured, and possession to be taken thereof on behalf of Government, and the land shall thenceforward be vested absolutely in the Government, free and clear of all other estates, rights, titles, remainders, reversions, limitations, trusts and interests, and also of all mortgages, liens, or incumbrances whatsoever, of and in the land so taken as aforesaid, and any suit which may be instituted to recover the land so taken by Government in any Court of Judicature, shall be dismissed with costs. Provided always, that nothing herein contained shall affect the liability of the party who may receive the value of any land so taken by Government, without having a good title to the same.

IV. As soon as the land has been marked out, the Collector or other Officer appointed as aforesaid, shall cause the order in Council to be affixed in some conspicuous place upon the land, and published by proclamation in the neighbouring bazars and villages, with a citation, calling on all parties interested in the land, to appear before him in person, or by authorized agents, on a certain day, not less than fifteen days after the date of citation, and to state the nature of their interests in the land required, and the amount and particulars of their claims to compensation for the same.

V. It shall be competent to the said Collector or other Officer appointed as aforesaid, to admit any such claims that appear to him to be valid, and if he and all the parties interested in the land agree as to the compensation to be allowed to them respectively, to pass an award for the same.

VI. If the said Collector or Officer shall judge any of the claims preferred to be inadmissible, and the parties interested in the land or any of them shall nevertheless persist in such claims, or if the said Collector or Officer, admitting the interests claimed, shall object to the compensation demanded for the same, as excessive, the points in dispute shall be referred to the determination of arbitrators, to be appointed in the manner hereinafter provided.

VII. Two persons shall be chosen to act as arbitrators on the part of Government, by the Collector or other Officer duly appointed as aforesaid, and the parties claiming to be interested in the land taken shall be called upon by the said Collector or Officer to select, within fifteen days, two persons to act as arbitrators on his or their part. If there be several parties interested as aforesaid, and they cannot agree within the required period in the election of persons to act as arbitrators on their behalf, then and in that case, each of them shall nominate one person, whom he may desire to act on his behalf, and the said Collector or Officer shall choose by lot, out of the persons so nominated by the parties aforesaid, or by any of them, two persons to act as arbitrators on behalf of the parties interested in the land. If only two persons

shall be so nominated by the parties interested in the land, they shall be the arbitrators on behalf of such parties, whether the whole of the parties interested as aforesaid, may or may not have been concerned in their nomination. If only one person shall be so nominated, then only one of the persons selected to act as arbitrators on the part of Government, shall be employed on the duty. If the parties interested in the land shall refuse or neglect, or if, by reason of minority, lunacy or absence from the Presidency, they shall be unable to make any nomination within the required period, then the said Collector or Officer shall and may select two impartial persons to arbitrate the matter between Government and the parties interested in the land.

VIII. Before the arbitrators proceed to arbitrate, they shall be required by the said Collector or Officer, to appoint an umpire for the decision of any points whereon they may differ in opinion, when the voices on each side shall be equal. If the arbitrators cannot agree in the selection of an umpire, the said Collector or Officer shall be authorized to choose some person to act as such.

IX. In cases wherein the arbitrators may differ in opinion, if the voices on each side shall be equal, the decision of the umpire on the point of difference shall be conclusive. In all other cases, the opinion of the majority of arbitrators shall determine the award.

X. The arbitrators shall hold their inquiry under the general superintendence of the Collector or other Officer appointed as aforesaid, who shall be competent to exercise towards them such powers and authority for the purpose of securing their attendance, and the due completion of their award, as the Courts of Judicature may legally exercise towards persons summoned as witnesses before them, for the purpose of compelling such witnesses to attend and give evidence. It shall further be competent to the Officer presiding, in the event of any unnecessary delay on the part of arbitrators, in determining any question referred to them, to call upon them to make their award within a specified time, and in default thereof, to refer such question to the umpire for his decision.

XI. The said Collector or other Officer appointed as aforesaid shall, on the application of the arbitrators, summon any witnesses whom the arbitrators may call for, and whom the parties may not be able to produce before them without such process. He shall also cause the proper forms of affirmation to be executed by any witnesses whom the arbitrators may desire to examine upon affirmation, or he may empower the arbitrators to administer, or cause the execution of such affirmation, if the witnesses cannot with convenience attend before him. Any witness who shall refuse or omit to appear when duly summoned by such Collector or Officer, or who shall appear but shall refuse to execute the affirmation to be administered as aforesaid, or who shall refuse to give evidence, shall be liable to the same punishment which would be incurred under the Law by a witness refusing to appear or give evidence before a Court of Justice. Any person giving intentionally and deliberately a false deposition, under a solemn affirmation in any case referred to arbitration as above, and upon a point material to the issue thereof, shall be held to be guilty of perjury, and shall be liable to the penalties prescribed for that offence by Law; and any person causing or procuring another person to commit the offence of perjury, as above described, shall be guilty of subornation of perjury and punishable according to Law.

XII. It shall also be competent to the Collector or other Officer appointed as aforesaid, to demand from the parties interested in the land so taken as aforesaid, the production of any accounts, title deeds, or other documents which may be required by the arbitrators for the purposes of their inquiry, and in the event of such accounts, title deeds, or documents being withheld, and the fact of their existence being proved by information given upon solemn affirmation, to order the seizure of such accounts, title deeds, and documents wherever they may have been deposited, in the manner prescribed by Section IX., Regulation IX. of 1822 of the Madras Code, and to exercise for that purpose the powers thereby vested in Collectors.

XIII. The arbitrators shall take into consideration the statements of the parties interested in the said land, and the objections of the Collector or other Officer aforesaid on behalf of Government, and after examining the evidence offered on both sides, and making any further inquiry that may appear to them necessary, shall pass their award allowing or disallowing the interests claimed, and determining the total amount of compensation to be given for the interests allowed, the mode in which it is to be given, and if to be given to more than one party, the shares of the total compensation which each party shall be entitled to receive.

XIV. The award of the arbitrators, or of the umpire, if he shall be called upon to make an award, shall be binding and conclusive both upon the Government and the parties interested in the land, as respects the gross amount of the compensation to be paid by Government, unless the award shall be set aside by the Civil Court of the zillah upon a charge of corruption against the arbitrators, or the umpire, as the case may be, brought by either party, and proved after due investigation, to the satisfaction of such Court; in which case the matter shall be referred for the determination of a second set of arbitrators, to be chosen in the same manner as the first, and their decision, whatever it may be, shall be final. No petition to set aside an award made under this Act shall be received by the Civil Court of the zillah, unless it be presented within thirty days from the date of the award complained of: and the said petition shall be presented on stamp paper of the value used for miscellaneous petitions, and shall be accompanied with a copy of the award objected to. The award of the arbitrators or umpire shall also be binding as respects the shares to be paid to the several parties interested in the land, unless upon a suit instituted within thirty days from the date of the award, in a competent Court, by any of the parties concerned, to alter the apportionment made by such award, an injunction shall be issued to suspend the payment until a decree is passed in the case.

XV. If any question arises as to the previous possession of or title to any land taken by Government under this Act, or if the parties, or any of them interested in the land are minors, lunatics, or absent as aforesaid, and are not represented by their guardian, committee, attorney, or other person authorized in that behalf, or if there exist other grounds which, in the judgment of the arbitrators, render it improper to make immediate payment of the compensation awarded by them, or of any part thereof, to any of the parties interested in such land, the said arbitrators shall certify the same to the said Collector or Officer, under whose directions they may act, and in such case, or if for any such reason, or any such ground as aforesaid the said Collector or other Officer shall deem immediate payment improper, then the

amount of compensation payable shall be held in deposit by Government, until the parties interested in the said land or some of them shall obtain an order of a competent Court for the payment of the same and interest (if any) to them. All sums held in deposit as aforesaid, exceeding in amount the sum of                    Rupees shall be invested in Government Securities.

XVI. On the close of the inquiry, the arbitrators or umpire shall deliver to the Collector or other Officer appointed as aforesaid, a full and complete report and award upon the questions submitted to their arbitration, under their respective signatures, specifying the amount of compensation to be granted, and, (except where under Section XV., it may appear proper to suspend payment,) the parties to whom it is to be made, and the proportions to be paid to each respectively, with a solemn declaration subscribed thereto, that the award so given, is, to the best of their judgment, true and impartial, and according to the evidence adduced before them, and they shall at the same time deposit with the said Collector or Officer the whole of their proceedings.

XVII. All suits and proceedings instituted against Government to obtain compensation for land taken as aforesaid, other than such petitions to set aside awards as aforesaid, shall be dismissed with costs, but nothing herein contained shall affect the rights of any party to recover the value of any land taken by Government from any person who may have received the same without having any title thereto.

XVIII. In the case of land declared by a Minute of the Governor in Council to be needed for a public purpose being acquired by the Government by bargain with and purchase from the parties apparently interested therein, the Collector or Officer appointed by Government to receive possession of the same, shall cause proclamation to be made in the manner prescribed in the 4th Section of this Act, of the transfer of the land to Government, by the said parties, and requiring all other persons who may claim any right, title or interest in such land, to prefer their claims within One Calendar month after such proclamation made, and any claims that may be preferred shall be dealt with under Section V. or under Section VI. and the following Sections of this Act. Provided always, that if no claim shall be made within One Calendar month after such proclamation as aforesaid, the said land shall vest absolutely in the Government, free and clear of all other estates, rights, titles, remainders, reversions, limitations, trusts, interests, mortgages, liens or incumbrances whatsoever of and in the said land so purchased, and any suit to recover the land so purchased by Government, or to obtain from Government compensation for the loss thereof, which may be preferred in any Court of Judicature, shall be dismissed with costs. But nothing herein contained shall affect the liability of the party who may receive the value of any land purchased by Government without having a good title to the same.

XIX. In cases referred to arbitration, under the provisions of this Act, any necessary expense which may attend the inquiry of the arbitration, whether for the diet of witnesses or otherwise, shall be paid by Government.

XX. The provisions of Act XLII. of 1860, shall be applicable and in force within the Madras Presidency; and the said Act shall be construed as if instead of the words and figures "Regulation

1. of 1824 of the Bengal Code" or "the said Regulation" therein mentioned, the number and title of this Act had been therein inserted.

XXI. The following words and expressions in this Act shall have the several meanings hereby assigned to them, unless there be something either in the subject or context repugnant to such construction (that is to say,)

Words importing the singular number only shall include the plural, and words importing the plural number only shall include the singular.

Sea, the undermentioned quantity of Opium, the  
Provision of 1850-51, subject to the following  
Conditions; viz.

Produce of Behar Agency, ..... Chests 1,920  
Ditto of Benares ditto, ..... „ 880

Total Chests 2,800

#### CONDITIONS OF SALE.

1st. The Opium will be sold for Exportation  
by Sea only, and no Certificate will be granted  
except to cover such Export.

2nd. The Opium will be ordinarily offered for  
Sale at an upset price of Rupees 400 per Chest,  
and sold to the highest bidder above that price,  
except under the circumstances for which Provi-  
sion is made by Clause 12 of the Conditions of  
Sale.

3rd. The Sale shall commence at the hour of  
11 A. M., and shall not be continued after the  
hour of 5 P. M., but if at that hour any of the lots  
advertized for Sale shall remain unsold, the Sale  
may, at the discretion of the Board of Revenue,  
be resumed on the next day following (not being  
Sunday or a Public Holiday,) at the hour of 11  
A. M., and so on until the whole of the remaining  
lots are disposed of; or if the quantity of 2,800  
Chests shall not be sold on the day advertized,  
the Board may dispose of the lots which remain  
on hand at a future Sale.

4th. Each lot to contain Five Chests.

5th. A deposit in a Promissory Note, either  
for 25 per Cent. even money, of the amount for  
which each lot is knocked down, or for Rupees  
1,000, at the discretion of the Officer superintend-  
ing the Sale, shall be made by the purchaser in  
the Sale Room, and before the lot is registered in  
the Sale Book, and all such Promissory Notes  
shall be redeemed on the part of the purchasers  
at this Office by Sub-Treasurer's Receipts, or by  
substitution of other Public Securities of the Ben-  
gal Government, on or before 4 o'Clock of the  
afternoon of Saturday, 17th January, or on the  
other hand failing such redemption by the time  
aforesaid, then the lot or lots for which no Sub-  
Treasurer's Receipts, or deposit of other Public  
Securities as aforesaid, shall have been delivered

in, shall be re-sold at such time or times and under such Conditions of Re-sale as the Board of Revenue shall see fit, and all losses and expenses whatsoever attending such Re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th. The Promissory Notes taken on the day of Sale, under the last mentioned Condition if remaining unredeemed on the said 17th January, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th. No tender of Money, Sub-Treasurer's Receipts, or Public Securities on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the 17th January, will be afterwards accepted.

8th. The Opium, now advertized for Sale, shall be paid for within 15 clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 p. m. of Wednesday, the 28th January 1852, and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit of 25 per Cent, even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or chests shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each Certificate or order, and it is to be clearly understood that the Certificates or orders so taken out shall be considered final, and not afterwards changeable for other Certificates or orders authorizing the delivery of single lots or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each Certificate or order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th. The Officer superintending the Sale, on the part of the Board of Revenue, is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent, even money of the amount so bid, or Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset

price, diminishing the same gradually until a bid is obtained, and the first *bona fide* bidder, for a lot after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the 2nd Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of Twenty-five lots, and for the lots so purchased, the purchaser shall deposit for each lot 25 per Cent, even money of the amount bid by him for the first lot, or Rupees 1,000 for each lot, and pay the same price per Chest as that for which he purchased his first lot, provided always that there remain a sufficient number of lots of that Opium to complete the said Twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue.

No. 1.—Certificate of the Opium now advertized for Sale.

No. 2.—Report of the examination of such Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1850-51, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. Any further information respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight.

Civil Service Annuity Fund Office, }  
The 27th December 1851.

The Meeting then proceeded to elect Managers for the ensuing year, when Messrs. E. Currie, J. P. Grant, E. A. Samuels, C. Beadon and W. Grey, were duly elected.

The propositions advertized for discussion at this Meeting were then read; when it was proposed by Mr. Grey, seconded by Mr. Mills, that the 1st be adopted and added to No. 1 of the Rules forwarded

for sanction of the Hon'ble Court of Directors as determined at the Meeting of 11th August last, leaving the proposed Rule as follows :—

"The Subscribers to the Bengal Civil Service Annuity Fund are the Covenanted Civil Servants upon the Bengal Establishment. They shall continue, as long as they remain in the Service, to contribute for the purposes of the Fund, four per cent. of their salaries and all other public emoluments whatever (travelling allowance alone excepted); an option being allowed to Subscribers to contribute five per cent. on their official emoluments."

*Carried nem. con.*

It was then proposed by Mr. Beadon, seconded by Mr. Mills, that the 2nd proposition be adopted: "That the interest of the unappropriated capital in excess of Rupees 27,59,190, be applied annually, as a bonus to the improvement of the purchase value of Annuities in favor of Retiring Annuityants, whose subscription balance is not equal to the half value of their Annuity."

An amendment was proposed by Mr. Harvey, seconded by Mr. Houston—That, with reference to Mr. Blunt's suit against the Managers of the Fund now pending in H. M.'s Supreme Court for refund of excess subscriptions realized from him, the early decision of which is looked for, it is both premature and inexpedient to take into consideration the bonus question at this Meeting. That the discussion on the question of the grant of a bonus on retirement be therefore postponed for the present and until the decision of that suit.

A second amendment was proposed by Mr. Samuels—That, under existing circumstances, it is not expedient to apply to the Court for the grant of a bonus.

A third amendment was then proposed by Mr. Harvey—That in justice and fairness to all Subscribers if a bonus is granted, the bonus should be granted to *all Subscribers who may retire on Annuities*; that it is partial and objectionable to restrict the bonus to one particular section of Subscribers; that the object of the grant of a bonus is to promote retirements; that this object is lost sight of when the bonus is restricted to one section of Subscribers and made to serve a class interest; that the 2nd proposition be therefore modified so as to provide for the grant of a bonus to *all Retiring Annuityants* without any distinction of class or restriction whatever.

The proposition was accordingly carried.

The 3rd Resolution was then proposed by Mr. Beadon, seconded by Mr. Mills—That Article 26 of the revised Rules be modified so as to provide, as in the Civil Fund, that on questions involving any essential addition to, or alteration in, the rules and principles of the Fund, or any case not provided for by the Rules, the determination of a General Meeting shall be referred to the Subscribers at large for adoption or rejection before being submitted for the sanction and approval of the Court of Directors.

The votes were as follow :—

The proposition was accordingly carried leaving the Rule 26 as follows :—

"Upon all general questions involving any increase or diminution of the rate of the contributions, or any essential addition to, or alteration in, the original Rules and principles of the institution, no decision of the Subscribers shall be valid or have any effect until sanctioned and approved by the Court of Directors, to whom all parties considering themselves aggrieved by such decision shall have a right of appeal, and the decision of the Court of Directors shall in all cases be final; provided further that the determination of a General Meeting on such cases and questions shall be referred to the Subscribers at large for adoption or rejection, before being submitted for the sanction and approval of the Court of Directors."

The Chairman was then requested to circulate with the report of the proceedings of the Meeting a memorandum of the Unappropriated and Appropriated Funds for the past 25 years referred to in the course of the discussions on the foregoing propositions, to be submitted by the Managers to the Hon'ble Court, with a memorial in continuation of that addressed to them with the Rules carried by the Meeting of the 11th August 1851, praying for their sanction to the further revisions now adopted.

A vote of thanks was passed to the Chairman, and the Meeting separated.

C. ALLEN,  
Chairman.

I. The following Regulations and parts of Regulations of the Bombay Code, and the following Acts and parts of Acts of the Government of India, are repealed, that is to say, Sections I. II. and III., Regulation VI. of 1799; Clause II. Section VII. Regulation IX. of 1800; Sections XIV. XVII. XX. XXI. and XXV., Regulation I. of 1805; Section IV. Regulation II. of 1810; Regulation VI. of 1814; Chapters III. V. and VII. II. Nothing hereinbefore contained shall be construed to prevent the levy of any anchorage or harbour dues now leviable at the port of Bombay, or the levy of any special duties on

opium, tobacco, gunja, spirits or salt which are, or may be, established by any Law, or the levy of any town duty, or of any Municipal Tax, or of any toll on any bridge, road, canal or causeway, or for repair and maintenance of light-houses, or the levy of any rent or fee leviable under Act XXV. of 1836, on the warehousing of goods.

III. The Governor of Bombay in Council may appoint one or more persons, to be commissioners of customs for the collection and management of the customs throughout the whole of the Presidency of Bombay with such salary or salaries as the said Governor in Council may deem reasonable; the persons so appointed shall hold their offices during the pleasure of the said Governor in Council, and shall, in all matters relating to the execution of their duties, be subject to the authority, direction and control of, and obey such orders and instructions as shall, from time to time, be issued to them by, the said Governor in Council.

IV. The Governor of Bombay in Council may appoint such persons as he may deem fit for the control and supervision of the collection and management of the customs in the Bombay Presidency under this Act, as collectors of customs, or under such other designation as the said Governor in Council shall determine; the persons so appointed shall be subject to the authority and control of the commissioner or commissioners (if any such officer shall have been appointed) in such manner and to such extent as the said Governor in Council, from time to time, may direct.

V. The Governor of Bombay in Council may appoint all other proper persons to execute the duties of the several subordinate officers necessary to the due management and collection of the customs, and may require from such persons such securities for their good conduct therein as the said Governor in Council may deem necessary; and may, from time to time, transfer any part of the duties and powers of any officer of customs under this Act to any other officer in such cases and under such restrictions as the said Governor in Council may deem fit; and every officer of customs appointed or employed on any duty relating to the said customs shall hold his office during the pleasure of the Governor of Bombay in Council: all persons holding any office or

employment in the said customs, at the time of the passing of this Act, shall continue to be so employed therein under this Act until duly removed therefrom.

VI. IX. No action shall lie in the Supreme Court for any act or thing done under this Act: but every action for any wrong or trespass, if committed within the local limits of the Island of Bombay, shall be tried and determined before the Revenue Judge of Bombay, and if committed in any part of the Presidency of Bombay without those limits, then before the proper Zillah Judge within whose jurisdiction the same shall have been committed; and such Revenue Judge of Bombay, or Zillah Judge respectively, shall award such damages to the party aggrieved for the injury done as shall be just and equitable. Provided, that if it shall appear that there was reasonable and probable cause for the act complained of, the plaintiff shall not be entitled, beyond the restoration of any article unlawfully seized, or the value thereof, to more than two times damages without costs.

X. Whoever, being an officer appointed under the authority of this Act, shall be guilty of a wilful breach of the rules prescribed in this Act, or any other rules that shall be passed by the Governor of Bombay in Council under the authority of it, or shall accept, or obtain or attempt to obtain from any person any property, gratuity or benefit as a consideration for doing or forbearing to do any official act, shall be liable to imprisonment for any term not exceeding two years or to fine, or both.

XI. XII. In all cases in which under this Act, goods are liable to confiscation, and in all cases in which under this Act, any person in charge of, or owning a vessel, or landing or shipping goods,

XIII. In case any goods, ship, vessel, boat, cart, vehicle, or other article shall be seized as forfeited, or detained as under-valued under this Act, the adjudicating officer may order the same to be restored in such manner and on such terms and conditions as he thinks fit to direct; and if the proprietor of the same accepts such terms and conditions, he shall not have or maintain any action for recompense or damage on account of such seizure or detention, and the adjudicating officer shall not proceed to condemnation.

XIV. Any collector of customs or other officer, who is authorized to adjudicate customs cases, if he shall decide that a seizure of goods made under the authority of this Act was vexatious and unnecessary, may adjudge damages to be paid to the proprietor by the customs officer who made such a vexatious seizure, beside ordering the immediate release of the goods; and if the proprietor accepts such damages no action shall thereafter lie against the officer of customs, in any court of justice, on account of such seizure; and if such adjudicating officer shall decide that the seizure was warranted, but shall deem that the penalty of confiscation is unduly severe, he may mitigate the same by levying on the goods so seized as aforesaid, any portion of the market value of such goods not less than one-tenth of such value; and if the said officer adjudges confiscation or any penalty in mitigation of confiscation, he may order that from the sale of the goods, or from the proceeds of any penalty inflicted in mitigation of confiscation, a proportion not exceeding, in all cases of seizure except seizures of salt or tobacco, one-half of the sum remaining after payment of all Government demands shall be distributed in rewards amongst such officers as he deems entitled thereto, and in such proportion as he directs to each respectively: but in awarding rewards for the seizure of confiscated salt or tobacco, he may award one-half of the proceeds of sale, without making any deduction on account of Government demands.

XV. All penalties under this Act, except those specified in any judicial award of the collector or other adjudicating officer, as provided for in Section XIII. of this Act, shall be adjudged and determined by the officiating magistrate of the place where the offence shall have been committed; and any collector being a justice of the peace, or deputy or assistant collector authorized in such behalf by his superior and being a justice of peace, may take informations and depositions on oath or solemn affirmation or declaration touching any matters involving a breach of any of the provisions of this Act, and of

taken in the presence of the party or parties charged with such breach, the same shall be received in evidence by such magistrate in the like manner and to the same extent as if taken before him, and shall be deemed sufficient for him to adjudicate thereon: but nothing herein contained shall prevent such magistrate from taking any information or deposition afresh, or from taking other and further depositions in the matter, if he think fit.

XVI. If any person in charge of, or owning a vessel shall have become liable to any fine on account of any act or omission relating to the customs, the collector of customs, subject to the orders of the Governor of Bombay in Council, may refuse port clearance to such vessel until the fine is discharged; and in like manner if any person passing goods through the custom house, shall have become liable to any fine, the collector of customs may detain such goods until the fine is discharged.

XVII. No person shall act as an agent for transacting business in the custom house in the port of Bombay which shall relate to the entrance or clearance of any ship, goods, or baggage, unless authorized so to do by licence of the collector of customs, who may require a bond to be given by every person to whom such licence shall be granted, with sufficient securities, in any sum not exceeding five thousand rupees for the faithful and incorrupt behaviour of such person as regards the custom house regulations and its officers; and every person who shall act as such agent not being so licensed shall, for every such offence, be liable to a fine not exceeding the sum of five hundred rupees. Provided always, that nothing herein contained shall extend to forbid the clerk or servant, or known accredited agent of any person, or of any mercantile firm, from transacting business at the custom house on account of such person or firm without licence.

XVIII. Duties of customs shall be levied on goods imported by sea from any port not subject to the Government of the East India Company, or from Aden, or any port in the Straits of Malacca, the Tenasserim Provinces, or the Province of Arracan, into any place in the territories subordinate to the Government of the Presidency of Bombay according to the rates specified in Schedule A. annexed to this Act, and with the exceptions specified therein; and the said Schedule shall be taken to be a part of this Act.

XX. Spirits exported from any port subject to the Government of the East India Company,

and imported at any other port subordinate to the Government of Bombay shall be liable on importation to the same rate of duty as may be fixed on spirit of country manufacture by Schedule A. annexed to this Act, or by any future enactment. Provided always that if the said spirit be accompanied by a document signed by competent authority, certifying that a duty, whether of customs or otherwise, has been paid on the said spirit to the East India Company, credit shall be allowed for the sum so paid in settling the customs at the port of import; and if such sum equal or exceed the full amount of customs leviable on spirits of country manufacture under Schedule A. aforesaid, or any future enactment, then the spirit on which such duty has been paid shall be admitted to free entry.

XXI. The Governor in Council may direct that an anchorage toll shall be levied at any port or ports within the Bombay Presidency on all vessels arriving from any other port or ports which may be specified by the said Governor in Council, and such anchorage toll shall be levied at such port or ports on every such vessel on each arrival of such vessel at the rates specified in Schedule C. annexed to this Act: and the said Schedule shall be taken to be part of this Act.

XXII. No goods entered in either of the Schedules of this Act, as liable to duty, shall be exempted from the payment of such duty or of any part thereof, except under special order from the Governor of Bombay in Council, and the collector of customs shall detain all goods subject to duty under this Act until such duty shall have been duly paid according to the rules herein provided: Provided always, that the collector of customs, or other officer in charge of a custom house, may at his discretion pass free of duty any passenger's personal baggage in actual use, and if any person shall apply to have goods passed as such baggage, the collector, acting under the orders of Government, shall determine whether they be passenger's personal baggage in actual use, or goods subject to duty under the provisions of this Act.

XXIII. On application by the exporter of any salt that has paid the excise duty, as established by law, a certificate shall be granted by the collector of customs at the place of export, under authority of which certificate the quantity of salt specified therein may be landed at any other port of the said Presidency of Bombay, and passed from such port into the interior of the country without the levy of any further duty either of excise or of customs.

XXIV. The Governor of Bombay in Council, from time to time by notice in the official Gazette of that Presidency, may fix a value for any article, or number of articles, liable to duty upon their value, and the value so fixed for such articles shall, till altered by a similar notice, be taken to be the value of such articles for the purpose of levying duty on the same.

XXV. When goods liable to duty for which a value has been fixed by such notice or for which a fixed duty has been declared by the Schedules annexed to this Act, are brought to any custom house in the Bombay Presidency in a damaged state, and such damage is declared previous to the assessment of customs on such goods, the collector of customs may make an abatement of customs in proportion to the damage received; and, in estimating such damage, he shall be guided by such rules as the Governor of Bombay in

Council may from time to time determine and notify; but if the value of the goods be not deteriorated more than one-fifth part thereof no abatement of customs shall be allowed.

**XXVI.** When goods liable to duty, for which a value has not been fixed by such a notice as is above directed, or for which a fixed duty has not been declared by the Schedules annexed to this Act, are brought to any custom house in the Presidency of Bombay for the purpose of being passed for importation or exportation, the duty leviable on such goods shall be levied according to the market value of such goods at the place and time of importation or exportation as the case may be.

**XXVII.** No goods shall be allowed to be passed through the custom house until a written application, according to a form to be prescribed by the collector of customs, shall have been made by the owner, consignee, exporter, importer, or the agent for any of such persons respectively, for permission to pass such goods through the custom house; and such application shall contain a true description of such goods, with the marks, numbers and description of the packages containing the same, and a declaration of their value, and shall set forth the name of the ship in which the goods have been imported, or are to be exported, the name of the master of the said ship, the colors under which the said ship sails, and the country in which the goods were produced. If any goods shall be passed through the custom house, or attempted to be removed therefrom without such an application in writing as is above described, they shall be liable to be seized and confiscated.

**XXVIII.** The market value for assessment of duties on the goods indicated in Section XXVI. shall be that declared in the application to be made, as aforesaid. Provided always, that the value so declared be admitted by the collector or by the officer appointed to appraise goods at the custom house; but if the value of the whole or any part of the goods entered in the declaration aforesaid shall seem to the collector to be understated in such declaration, he shall have power to take the goods, or any part thereof as purchased for the Government at the price so declared; and whenever the collector of customs shall so take goods for the Government, payment thereof shall be made to the consignee, importer or exporter within one month from the date of the declaration; if the goods be imported goods, the amount of import duty leviable thereon shall be first deducted, and if the goods be intended for exportation, the entire value as declared, shall be paid without deduction on account of customs duty: and the collector shall sell the goods so taken on account of Government; and, if they shall realize on sale a sum exceeding all charges incurred on them by Government, a proportion not more than one-half of the excess shall, at the discretion of the collector, be payable to the officer who reported the undervaluation of the goods, who shall in like manner be liable to pay one-half of the net loss that may accrue on the sale of the said goods.

**XXIX.** And whereas under Section XXIV. of this Act, it may be found expedient to fix the dutiable value of certain goods at the rates shown by their invoice, when it shall appear to the officer of customs appointed to appraise goods at the custom house that any goods are undervalued in an invoice presented for the purpose of evading customs, he shall report the same to the collector of customs, who shall call upon the

Importer or Exporter to declare the market value of the goods in question, and if the value so declared shall appear to the Collector insufficient, he may take such goods for Government at the value so declared, and dispose of them as empowered by Section XXVIII. of this Act.

**XXX.** Upon any goods liable to duty that may be passed through the custom house for shipment, the application for which shall be presented after port clearance shall have been taken out, double of the prescribed duty shall, in all cases, be levied, and if the goods (always excepting treasure and opium) be free, or have already paid import duty, or have been imported free under certificate, five per cent. upon the market value shall be levied thereon, or if the same be imported goods entitled to drawback, the drawback shall be forfeited, but no separate duty shall be levied on drawback goods.

**XXXI.** When a vessel having cleared out for any port, shall put back from stress of weather, or it shall from any damage, or from other cause be necessary that the cargo of a vessel that has cleared out shall be unshipped or relanded, a customs officer shall be sent to watch the vessel, and take charge of the cargo during such relanding or removal from on board; and the goods on board such vessel shall not be allowed to be transhipped or re-exported free of duty by reason of the previous settlement of duty at the time of first export unless the goods shall be lodged in such place as shall be allowed by the collector of customs, and shall remain while on land or while on board of any other vessel under special charge of the officers of customs until the time of re-export, and all charges attending such custody shall be borne by the exporter. Provided however, that in all cases of return to port after port clearance on account of damage or for stress of weather, the owner or master may enter the vessel and land the cargo under the rules for the importation of goods, and the export duty shall in that case be refunded, and the amount paid in drawback be reclaimed; and if goods on account of which drawback has been paid, be not found on board the vessel, the Master shall be liable to a fine not exceeding the entire value thereof, unless he accounts for them to the satisfaction of the collector of customs.

**XXXII.** When goods shall be relanded before the lading of any vessel is complete, and before port clearance has been granted, the duty levied upon such goods shall be returned to the exporter, but no refund shall be made of duty paid on the export of any goods after port clearance shall have been granted for the vessel on which the goods are exported, unless the vessel shall have put back for stress of weather or for damage, and the goods shall have been relanded under the rule contained in Section XXXI.

**XXXIII.** Goods exported in the same vessel on which they were imported, if manifested for re-export, shall not be subject to import or export duty; and, if any goods brought to any port in any vessel be transhipped in such port, they shall in all cases be subject to the same duty as if they had been landed and passed through the custom house for re-exportation in the vessel into which they may be transhipped.

**XXXIV.** No duty of customs which shall have been charged and paid, and of which repayment is claimed in consequence of the same having been charged or paid under an erroneous construction of law or from other error, shall be

returned unless such claim is made within two years from the date of such payment.

**XXXV.** With the sanction of the Governor of Bombay in Council, seven-eighths of the customs levied on imports may be repaid as drawback upon the re-export by sea of goods which can be identified to the satisfaction of the collector of customs as having previously paid customs duties on import at the same port; provided that such re-export be made within two years of the date of import by the custom house register, and the drawback be claimed at the time of re-export; but no drawback shall be claimable under this Act on any re-export of opium or salt, or of goods destined for any port in the territories subject to the Government of the East India Company, except Aden, and ports in the Straits of Malacca, the Tenasserim Provinces, and the Province of Arracan.

**XXXVI.** Every person who shall counterfeit or falsify, or wilfully use when counterfeited or falsified, any invoice, entry, cockpit, or other document for the purpose of clearing, or having customs duties assessed on, any goods, shall be liable to a fine not exceeding one thousand rupees.

**XXXVII.** If any certificate, manifest, bill, or other custom house documents be lost by any person to whom they may have been issued by the custom house authorities, the collector of customs, on being satisfied that no fraud has been committed, or was intended, may grant a duplicate of such lost document upon payment of a fee of not less than one rupee, nor exceeding ten rupees; and further the collector may authorize any amendment to be made in any import or export application; but, if such amendment be required after such application is entered and recorded in the custom house books, then upon payment of a like fee for any document so entered.

**XXXVIII.** The master of every vessel on arrival at the port of Bombay shall, on being required by any customs officer who may proceed on board, enter in a printed form with which such officer will be furnished, the information therein required, which shall include the vessel's name and the country to which she belongs, the name of the captain or sailing master, the port from whence she began her voyage, and the date of departure therefrom, also the names of any ports which she touched during her voyage, and of any vessels she may have spoken, and a list of her passengers; and any master of any vessel who shall refuse to enter such information, or delay to do so for more than two hours after delivery to him of the printed form aforesaid, or wilfully make any false statement in filling up the same, shall be liable to a fine not exceeding five hundred rupees.

**XXXIX.** On the arrival of any ship, boat, or other vessel at the port of Bombay, the master or commander thereof shall, within twelve hours after he shall have anchored, report to the collector of customs the quantity of gunpowder which he has on board, and all such gunpowder in excess of five seers, unless a greater quantity shall be authorized by Government to be retained on board any vessel, shall be delivered by him in charge of such person as shall be named in an order to be furnished to him for such purpose by a proper officer of Government, and on his failure to make such report, or deliver such excess, he shall be liable to a fine not exceeding five hundred rupees.

**XLI.** When any vessel shall arrive in any port of the Presidency of Bombay, the master shall

deliver a certificate of registry of such vessel if registered as a British vessel under Act of Parliament, or if registered under Acts of the Government of India No. X. of 1841, or No. XI. of 1850 a certificate of registry as required by such Acts, or if not registered under either of the said Acts then the pass or sea letter under which the vessel may have sailed, to the first person duly empowered to receive such certificate of registry or pass, who comes on board; and if no such person comes on board before the anchor is dropped, then such certificate or pass shall be forwarded to the collector of customs or other principal officer of customs on the spot by the first boat that leaves the vessel after dropping anchor; and, if the port be up a river, or at a distance from the land first made, no inward bound vessel, except such country craft as are described in Section LIX. of this Act, shall pass beyond such place in such river or adjoining such port as shall be from time to time appointed by the Governor of Bombay in Council, by an order published in the Government Gazette of the Presidency, until the master shall have forwarded in such manner as may be so ordered by the said Governor, a certificate of registry or pass, and the master of such vessel arriving as aforesaid, shall deliver in duplicate, at the same time and in like manner as he is hereinbefore directed to deliver a certificate of the registry of the vessel, a true manifest of the cargo on board; and if there be no cargo, then a blank manifest made out according to such form as may be prescribed by the collector of customs; and the wilful breach or neglect of any of the provisions of this Section shall subject the master to a fine not exceeding one thousand rupees.

**XLI.** If the manifest so delivered by the master shall not contain a full and true specification of all the goods imported in the vessel, the said master shall be liable to a fine not exceeding rupees one thousand, and any goods or packages in excess of the manifest so delivered, or differing in quality or kind, or in marks and numbers, from the specification contained therein, that are found on board, or are found after being fraudulently removed from the vessel, shall be liable to be seized by any officer of customs and confiscated, or to be charged with such increased duties not exceeding the value of such goods or packages as may be determined by the collector of customs.

**XLII.** If any inward bound vessel shall remain outside or below the place that may be fixed by the Governor in Council for the first delivery of manifests, the master shall deliver a manifest as hereinbefore prescribed, to the first person duly empowered to receive such manifest who comes on board, and the master of any vessel entering a port for which there is a custom house established, and being at anchor therein for twenty-four hours, who shall refuse or neglect to deliver the said manifest within that time in the manner above prescribed, shall, for such refusal or neglect, be liable to a fine not exceeding rupees one thousand; and no entry or port clearance shall be given for such vessel until the fine is paid.

**XLIII.** No vessel shall be entitled to inward entry, or be allowed to break bulk, until a manifest in duplicate, as required by this Act, shall have been received by the collector of customs, nor until orders have been given by the said collector for the discharge of the cargo; and the said collector may further refuse to give such order, if

he shall see fit, until any port clearance, cocket or other papers known to be granted at the places from which the vessel is stated to have come, shall likewise be delivered to him.

**XLIV.** No vessel shall be entitled to entry outwards, or to take on board any part of her export cargo, until a written application for such purpose shall have been made by the master of such vessel to the collector of customs, nor until an order shall have been given by the said collector for shipping export cargo, and in the written application to be made as aforesaid, the name, tonnage, and nation of the vessel shall be described, as also the name of the master, and the name or names of the place or places for which she is bound.

**XLV.** If in the application prescribed by the preceding Section of this Act, a vessel be described to be bound to any port or ports within the territories of the East India Company, then the collector of customs, or, in his absence, his deputy or assistant, may refuse a port clearance to such vessel until the master or commander thereof shall have given a joint bond together with the owner or the consignee of the said vessel, or some other party approved by the collector of customs, or in his absence by his deputy or assistant, by which such parties or one of them shall be bound to produce to the collector of customs a certificate from the officer in charge of the port to which such vessel is said to be bound, of her arrival at such port within a fair and reasonable time to be prescribed by the collector in each case, and in failure of producing such certificate, or showing sufficient reason for its non-production, the parties to the bond aforesaid shall be jointly and severally bound to pay a penal sum equal to double the amount of customs which would have been chargeable on the export cargo of the said vessel had she been declared bound to a port beyond the territories of the East India Company.

**XLVI.** No goods shall be allowed to leave any vessel or to be put on board thereof, until entry of the vessel shall have been duly made in the custom house of the port, and until order shall have been given for discharge or shipment of the cargo thereof as above provided, and it shall be the duty of every customs officer to seize as contraband any goods which have been removed from or put on board of any vessel in contravention of the above provision; and the master of any vessel who shall permit or neglect to take measures for preventing the landing or shipping of any goods in contravention of the above provisions, shall be liable to a fine not exceeding five hundred rupees.

**XLVII.** After entry of the vessel at the custom house in due form as above prescribed, such part of the cargo as may not be declared for re-exportation in the same vessel, shall be landed, and export cargo shall be laden on board according to the forms and rules that may be prescribed for the port by this Act, or by order of the Governor of Bombay in Council; and if an attempt be made to land or put on board goods or merchandise in contravention of the forms and rules so prescribed, the goods shall be liable to seizure and confiscation.

**XLVIII.** If goods entered in the manifest of a vessel shall not be found on board that vessel, or if the quantity found be short, and the deficiency be not duly accounted for, or if goods sent out of the vessel be not landed at the custom house,

or at such other place as the collector of customs shall have prescribed, the master shall be liable to a penalty not exceeding five hundred rupees for every missing or deficient package of unknown value, and to a penalty equal to twice the amount of duty chargeable on the goods deficient and unaccounted for, if the duty can be ascertained, and if they be not subject to duty, then to a penalty equal to five per cent. on the value of such deficient goods. Provided always that nothing herein contained shall be construed to prevent the collector of customs from permitting, at his discretion, the master of any vessel to amend obvious and unintentional errors, or to supply omissions from accident or inadvertence, by furnishing an amended or supplemental manifest.

**XLIX.** Every master of a vessel who shall remove from such vessel or put on board thereof any goods, or cause or suffer any goods to be removed from thence, or put on board thereof between sunset and sunrise, or on any day when the custom house is closed for business, without leave in writing obtained from the collector of customs, shall be both to a fine not exceeding five hundred rupees.

**L.** When goods shall be sent from on board of any vessel for the purpose of being landed and passed for importation, there shall be sent with each boat load, or other separate despatch, a boat note specifying the number of packages and the marks and numbers, or other description thereof, and such boat note shall be signed by an officer of the vessel; and if the vessel have a customs officer on board, the boat note must be signed by such officer as well as by an officer of the vessel; and, if any imported goods be found in a boat proceeding to land from such a vessel without a boat note as above provided, or if being accompanied by such boat note they be found out of the proper track between the ship and the proper place of landing, the boat containing such goods may be detained by any officer of customs duly authorized by the collector; and, unless the cause of deviation be explained to the satisfaction of the collector of customs, the goods shall be liable to seizure and confiscation.

**LI.** Except in special cases sanctioned by the collector of customs, twenty days, exclusive of Sundays and holidays, shall be allowed for the discharge of the import cargo of vessels not exceeding six hundred tons' burthen, and thirty days for vessels exceeding that burthen; and the said periods shall be calculated from the date on which the vessel was admitted to entry inward; and if any goods remain on board after the periods above fixed, the collector may order the same to be landed and warehoused, for the security of the duties chargeable thereon, and of any freight and primage and other demands that may be due thereon, giving his receipt to the master for the goods so warehoused; but the collector or other officer in charge of the custom house, with the consent of the master of the vessel, may cause any packages to be brought on shore and to be deposited in the Government warehouses, although the periods above fixed have not expired.

**LII.** No vessel shall depart from any port of the Presidency of Bombay without a port clearance being granted by the collector of customs or other proper officer duly authorized by the Governor of Bombay in Council to grant the same, and application shall be made for such port clearance, at least twenty-four hours before the intended departure of the vessel; and no

such port clearance shall be granted to any square-rigged vessel sailing from the port of Bombay until the following documents shall have been produced to the collector of customs or other officer :

5th. A like certificate from the registrar of shipping.

6th. A list of the crew and (if any) of the passengers ; but if none, then a declaration of the master to such effect.

Provided always that it shall be lawful for the Governor of Bombay in Council in any cases of necessity or special emergency, to authorize the granting of such port clearance without the production of any one or more of the documents herein before enumerated, and on such terms and conditions as he may think fit.

LIII. The master of every vessel leaving any port in the Bombay Presidency shall, at the time of applying as above prescribed for a port clearance, deliver to the collector of customs or other principal customs officer of such port in duplicate a true manifest of the cargo on board, and if there be no cargo, then a blank manifest made out according to such form as may be prescribed by the collector of customs ; and if such manifest so delivered shall not contain a full and true specification of all goods to be exported in the vessel, the said master shall be liable to a fine not exceeding one thousand rupees ; and any goods or packages found on board in excess of the manifest so delivered, or differing in quantity, or in kind, or in marks, or in numbers, from the specification contained therein, shall be liable to be seized by any customs officer and confiscated, or charged with such increased duties not exceeding the value of such goods or packages as may be determined by the collector of customs.

LIV. If any goods shall be taken on board of any vessel after port clearance, it shall be incumbent on the master of such vessel to amend the export manifest of such vessel in presence of the collector of customs, unless a special permission be granted by that officer ; and the master of any vessel who may contravene the provisions of this Section, shall be liable to a fine not exceeding one thousand rupees.

LV. If any vessel shall depart or attempt to depart without a port clearance as directed by this Act, the master shall be liable to a penalty not exceeding one thousand rupees, which may be recovered from the master, or any owner of the vessel.

officer of customs shall in all cases be deputed to superintend the removal of the goods from vessel to vessel ; and, if any goods are transhipped or any attempt be made to tranship any goods without a special order as aforesaid, such goods shall be liable to confiscation.

LVII. The Governor of Bombay in Council may declare by public notice, in the Official Gazette of that Presidency, what places within the same shall be ports for the landing and shipment of merchandise, and any goods landed or attempted to be landed at any other port than such as shall be so declared, shall be seized and confiscated.

LVIII. There shall be in every port of the Bombay Presidency one or more places for the landing and shipment of goods, and goods shall not be landed or embarked at any other place without the special order in writing of the collector of customs for the port ; and, if any goods be landed or embarked, or an attempt be made to land or embark any goods at any other than the said authorized places, without such order, they shall be seized and confiscated.

LIX. The Governor of Bombay in Council may establish rules for the anchorage of the coasting and country craft of the British territories, for the delivery of manifests of the cargo of such vessels, and for the landing of goods therefrom, and shipping and transhipping of goods therein ; and whoever, being in charge of any such craft or being owner of the vessel or of any part of her cargo, shall knowingly contravene any such rule, shall be liable to a fine not exceeding one hundred rupees for each offence.

LX. Goods which shall be brought to be passed through the custom house either for importation or exportation by sea shall be liable to confiscation if the packages in which the same may be contained shall be found not to correspond with the description of them given in the application for passing them through the custom house, or if the contents thereof be found not to have been correctly described in regard to sort, quality or quantity, or if in or among the packages any goods not stated in the application be found concealed in or mixed up with the specified goods.

LXI. Any exported goods which shall be found in the harbour, or any imported goods which shall be found on the wharf, of any port under the Bombay Presidency, shall be liable to confiscation, unless the owner, consignee, or other parties interested in the said goods, shall prove in the case of exported goods that they have been duly passed through the custom house, or, in the case of imported goods, that they have been landed according to the rules prescribed by this Act, preparatory to their being so passed.

LXII. The Governor of Bombay in Council, by an order in Council, may fix and from time to time alter rates of rent to be charged on goods placed in the Government warehouses, or which may be, beyond such period as may be determined by the Governor in Council, lying on the custom house wharf or other authorized landing places.

LXIII. The unshipping, carrying, shipping and landing of all goods, and the bringing of the same to the proper place for examination or for weighing, and the putting the same into and out of the scales, shall be performed by or at the expense of the importer or exporter of such goods.

**LXIV.** The collector of customs, whenever he shall see fit, may require that goods brought by sea, and stowed in bulk, shall be weighed or measured on board ship before being sent to land, and may levy duty according to the result of such weighing or measurement.

**LXV.** The Governor of Bombay in Council, from time to time, may issue such rules as appear to him expedient for landing or shipping passenger's baggage, and passing the same through the custom house, and also for landing, shipping and clearing parcels forwarded by Her Majesty's or the East India Company's mails, or by other regular packets and passenger vessels; and when any baggage or parcels are made over to the custom house officer, for the purpose of being landed, a fee of such amount as the Governor of Bombay in Council may from time to time direct shall be chargeable thereon, as compensation for the expense and trouble incurred in landing and depositing the same in the custom house.

**LXVI.** If any person, after goods have been landed and before they have been passed through the custom house, removes or attempts to remove them with the intention of defrauding the revenue, the goods shall be liable to confiscation, unless it shall be proved, to the satisfaction of the collector of customs, that the removal was not sanctioned by the owner or by any person having an interest in or power over the goods; on such proof, the goods shall not be liable to confiscation, but the party or parties so removing or attempting to remove the goods, shall be liable to a fine not exceeding the value of the said goods.

**LXVII.** In case of any goods landed from any vessel not being claimed and cleared from the custom house within three months from the date of entry of the ship in which such goods were imported, the collector, after publication of a description of the same in the Government Gazette, may sell the same on account of the duties and other charges due thereon; and the balance remaining after deducting the said duties and charges shall be held in deposit and paid to the owner on application; provided that such application be made within two years of the sale of the goods, or good reason be shewn why such application has not been so made.

**LXVIII.** If the Governor of Bombay in Council shall see fit for the security of customs at any port to maintain special establishments of boats for landing and shipping merchandise, or to license and register the cargo boats plying in any ports, then, after due notification thereof, no person shall convey goods to or from any vessel in such port otherwise than in the boats so authorized and prescribed, except under special permit from the collector of customs at the port; and any goods found on board of other boats than those so authorized for the port, shall be liable to be seized by any officer of customs and shall be liable to confiscation; and the finders or owner of any such boat shall be liable to a fine not exceeding fifty rupees for each offence.

**LXIX.** When the Governor of Bombay in Council shall see fit to maintain at any port an establishment of officers to be sent on board of vessels to watch their unloading and lading, then, after due notification shall have been given that such establishment is so maintained at any port, the collector of customs at that port shall have power at his discretion to send one or more officers of such establishment to remain on board of any vessel in such port by night and by day until

the vessel shall leave the port, or it shall be otherwise ordered by the collector.

**LXX.** Any master of such vessel at such port, who shall refuse to receive an officer so deputed with one servant on board, or who shall not afford such officer and servant suitable shelter and accommodation while on board, and likewise furnish them with a due allowance of fresh water necessary, and with the means of cooking on board, shall be liable to a fine not exceeding one hundred rupees for each day during which such officer and servant continue on board, and shall not be received and provided with suitable shelter and accommodation.

**LXXI.** If application be made to the collector for an extension of the period allowed in Section LI. of this Act for the discharge of the import cargo of any vessel on board of which a custom house officer shall have been placed, and the collector may see fit to grant any such extension, the master of such vessel shall be charged with the wages of such officer and other expenses, for such period as such officer may be detained on board beyond the period fixed by Section LI. of this Act.

**LXXII.** If any officer shall be placed on board for the purpose of superintending the lading of any vessel, and the unloading and lading of such vessel be continuous, then a period of twenty days shall be allowed for taking in export cargo; and the said period shall be calculated from the termination of the period allowed for discharging cargo by Section LI. of this Act; and the master thereof shall be charged for the wages and expenses of the customs officer on board after the expiration of such additional period. But, if the unloading and lading of any vessel be not continuous, and a customs officer is appointed to superintend the lading thereof, then the period of thirty days shall be allowed from the date of entry of the vessel outwards, and the master of the vessel shall be charged for the wages and expenses of the customs officer on board after the expiration of that period.

**LXXIII.** When the unloading and lading of any vessel is not continuous, the customs officer shall be removed from on board such vessel so soon as the import cargo has been fully discharged, and shall be replaced on board such vessel on the entry outwards of such vessel; and the master of any such vessel who, before a customs officer has again been placed in such vessel, shall put on board or cause or suffer to be put on board of such vessel, any goods whatever, shall be punished with a fine not exceeding one thousand rupees, and the goods shall be liable to be re-landed for examination at the expense of the shippers, upon requisition to that effect from the collector of customs.

**LXXIV.** Whenever a collector of customs shall see cause to direct that any vessel shall be searched, he shall issue his warrant or written order for such search, addressed to any officer under his authority; and upon production of such order, the officer bearing it may require any cabins, lockers, or bulk heads, to be opened in his presence, and if they be not opened upon his requisition, may break the same open; and any goods found concealed and not duly accounted for to the satisfaction of the collector of customs shall be liable to seizure and confiscation; and any master or person in charge of a vessel who shall resist such officer, or refuse to allow the vessel to be searched when so ordered by the collector,

lector of customs, shall be liable for every such offence to a fine not exceeding one thousand rupees.

**LXXV.** If any officer of customs shall see cause to search any person on board, or who shall have landed from any vessel, or any person passing or having passed through the custom house or any custom station, such person, before being searched, may require such officer to take him before the collector or a justice of the peace, who shall determine whether there is reasonable ground to suppose that such person has any uncustomed or prohibited goods on his person; and if such collector or justice shall think there is reasonable ground for such supposition, then he shall direct such person to be searched in such manner as he shall think fit, otherwise he shall forthwith discharge such person; but no female shall be searched otherwise than privately, or by any other person than a female duly authorized by such collector or justice; and any officer who shall not take such person with reasonable despatch before such collector or justice when so required, or who shall require any person to be searched without having reasonable ground to suppose that he has uncustomed or prohibited goods on his person, or who shall cause any female to be unlawfully searched, shall be liable to forfeit and pay a sum not exceeding one hundred rupees; and if any person suspected of having any uncustomed or prohibited goods on his person, or in his possession, shall, on being questioned by any officer of customs in regard thereto, deny the same, and any such goods shall after such denial be found on his person, or in his possession, such goods shall be seized and confiscated, and such person shall forfeit double the value of such goods in addition to the goods confiscated.

**LXXVI.** Any officer of customs acting under the warrant of any commissioner or collector of customs, may take a constable and a sufficient number of peons (who shall, on the requisition of the collector for such purpose be furnished by the superintendent of police in Bombay or the proper police authority in any zillah) and between sunrise and sunset may enter into and search any house, shop, cellar, warehouse, room, or other place, and in case of resistance may break open doors, chests, trunks and other packages, and may seize and bring thence any uncustomed or prohibited goods, and put and secure the same in the custom house warehouse in the port next to the place whence such goods shall be so taken as aforesaid; and such goods shall be liable to confiscation; provided always that no commissioner or collector of customs shall issue any such search warrant except upon information on oath or solemn declaration formally laid before him.

**LXXVII.** No cargo boat laden with goods intended for exportation by sea shall make fast to, or lie alongside of any vessel on board of which there shall be a customs officer stationed, unless there shall be onboard the boat, or have been received by the said customs officer, a custom house permit or order for the shipment of the goods, and the goods on board of any boat that may so be alongside, or be made fast to a vessel, and not covered by a custom house pass accompanying them, or previously received by the customs officers on board the said vessel, shall be liable to seizure and confiscation.

**LXXVIII.** All fines, for the recovery of which no special provision is herein before made, may be recovered, on conviction of the offender, before

a magistrate or other person competent to adjudicate on the offences, and payment thereof may be enforced under Act II. of 1839.

FRED. JAS. HALLIDAY,  
Secy. to the Govt. of India.

Fort William, Home Department, Legislative,  
the 2nd January, 1852.

The following Act is passed by the Hon'ble  
the President of the Council of India in Council,  
on the 2nd January 1852, with the assent of the  
Most Noble the Governor General of India,  
which has been read and recorded.

Ordered that the Act be promulgated for general  
information.

ACT No. II. of 1852.

An Act for the collection of Land Customs on  
certain Foreign Frontiers of the Presidency of  
Bombay.

Whereas it is expedient to provide for the col-  
lection of Land Customs on certain Foreign  
Frontiers, It is enacted as follows :

I. Duties of Customs shall be levied on Goods  
passing by land into or out of Foreign European  
Settlements, situated on the line of Coast within  
the limits of the Presidency of Bombay, at the  
rates prescribed in the Schedules of Act I. of  
1852, at the ports of that Presidency.

II. The Governor of the Presidency of Bom-  
bay in Council may declare, by notice to be pub-  
lished in the official Gazette of that Presidency,  
that the Territory of any Native Chief, not sub-  
ject to the jurisdiction of the Courts and Civil  
Authorities of that Presidency, shall be deemed to  
be Foreign Territory, and may declare Goods  
passing into, or out of such territory liable either  
to the duty fixed by the Schedules of Act I. of  
1852 for Goods imported or exported at the  
ports of that Presidency, or to double the said  
duties as the Governor of Bombay in Council  
may think fit.

III. For the levy of duties of Customs as  
above provided on Goods exported by land to, or  
imported by land from, such Foreign Territories,  
Customs Stations may be established at such  
places as may be determined by the said Governor  
of Bombay in Council; and every Officer at every  
such Station shall have power to detain Goods  
passing into, or out of any such Foreign Territory,  
and to examine and ascertain the quantities and  
kinds thereof; and such Goods shall not be allow-  
ed to pass across the Frontier line out of or into  
the Territory of the East India Company, un-  
til the owner or person in charge thereof shall pro-  
duce and deliver a certificate shewing that the  
Customs duty leviable thereupon has been paid.

IV. Any Officer of Sea Customs may receive  
money on account of Customs, and grant certifi-  
cates of the payment thereof; and any such certifi-  
cate, being delivered to any Station Officer, shall  
entitle the Goods therein mentioned to cross the  
Frontier into or out of the East India Company's  
Territories, provided that the goods correspond with  
the specification thereof contained in such certifi-  
cates, and that the certificates shew the entire amount  
of duty leviable on those Goods to have been  
duly paid; and if upon examination the Goods  
brought to any Station be found not to corres-  
pond with the specification entered in the certi-  
ficate presented with the same, the difference  
shall be noted on the face of the certificate; and  
if the payment of duty certified therein shall not  
cover the entire amount of duty leviable on the  
Goods, as ascertained at such examination, the

Goods shall be detained until further certificate for the difference shall be produced.

V. The said Governor of Bombay in Council shall appoint proper Officers to receive Customs duties on Goods crossing the land Frontier of the said Foreign Territories; and the Officers so appointed shall, on the receipt of money tendered as Customs duty, be bound to give any merchant or other person applying for the same a certificate of payment, and to enter therein the specification of Goods, with the values and description thereof, according to the statement furnished by the person so applying; provided only, that the proper duty leviable thereupon, according to the descriptions and values stated, be covered by the payment made.

VI. No certificate shall be received at any Station that shall bear date more than thirty days before the date when the Goods arrived at such Station; but any person, who has taken out a certificate from any authorized Receiver of Customs duties, shall be entitled, at any time within the said period of thirty days, on satisfying such Receiver that such certificate has not been used, and on delivering up the original, to receive a renewed certificate with a fresh date without further payment of duty.

VII. The said Governor of Bombay in Council may prescribe, by public notice in the official Gazette of the Presidency of Bombay, by what ways Goods shall be allowed to pass into or out of any such Foreign Territory, as is described in Sections I. and II. of this Act; and after such notice, Goods which may be brought to any Station established on other roads or passes than those so prescribed, shall, if provided with a certificate, be sent back; and if not provided with a certificate, shall be detained, and shall be liable to confiscation by the Collector of Customs, unless the person in charge thereof shall be able to satisfy the said Collector, that his carrying them by that road or pass was from ignorance or accident.

VIII. Goods unlawfully passed, or attempted to be passed unlawfully across any Frontier guarded by Stations, between sunset and sunrise, shall be seized and confiscated.

IX. Any Station Officer who shall permit Goods to pass across the Frontier, when not covered by a sufficient certificate, or who shall permit Goods to pass by any road or pass other than the prescribed ways, shall be liable, on conviction before a Magistrate, to imprisonment for any term not exceeding six months, and to a fine not exceeding five hundred Rupees, commutable, if not paid, to imprisonment for a further period of six months.

X. Any Station Officer who shall needlessly and vexatiously injure Goods under the pretence of examination, or in the course of his examination, or who shall wrongfully detain Goods for which there be produced a sufficient certificate, shall, on conviction before any Magistrate, be liable to imprisonment for any term not exceeding six months, and to a fine not exceeding five hundred Rupees, commutable, if not paid, to imprisonment for a further period of six months.

XI. All confiscations and penalties under this Act may be adjudicated by Officers competent to adjudicate like confiscations and penalties under Act I. of 1852, and such Officers shall be subject to the same liabilities and rules

in adjudicating such penalties and confiscations as they are subject to when adjudicating the like confiscations and penalties under the provisions of the aforesaid Act.

FRED. JAR. HALLIDAY,

*Secy. to the Govt. of India.*

*Port William, Home Department, Legislative,  
the 2nd January 1852.*

The following Extract from the Proceedings of the Hon'ble the President of the Council of India in Council in the Legislative branch of the Home Department under date the 2nd January is published for general information:

Read a second time the draft of a proposed Act, dated the 11th July 1851, and published in the *Calcutta Gazette* of the 16th July 1851 for summary suits for arrears of rent and sales of saleable tenures to be held within the judicial district in which the lands are situated.

*Resolution.*—The President in Council resolves that the following amended Draft on the subject be published for general information.

ACT No. — OF 1852.

*For the trial of summary suits for arrears of rent,  
and for the sales of saleable tenures, within the  
judicial district in which the lands are situated.*

Whereas by Regulation VIII. of 1831 of the Bengal Code the hearing and decision of summary suits or claims relating to arrears or exactions of rents were transferred from the Judges of the Zillah or City Courts to the Collectors of the several Districts; and whereas, by Regulation VII. of 1832 of the Bengal Code, the superintendence of the sales of Putnee Talooks and other saleable tenures of the class specified in Clause 1, Section VIII. Regulation VIII. of 1819, was transferred to the Collector or Deputy Collector of Land Revenue, or Head Assistant to the Collector or Deputy Collector, subject to an appeal to the Commissioner of Revenue for the Division; and whereas by Act VIII. of 1835 the conduct of sales of Talooks or other saleable tenures in execution of summary decrees for rent, in conformity with Regulation VII. of 1799 of the same Code was transferred to the Collectors of Land Revenue; and whereas doubts have been entertained as to the District within which such summary suits or claims should be decided, and such sales made, by reason that the jurisdiction of the several Zillah and City Courts is not continuous with the jurisdiction of the several Collectors of land Revenue, It is enacted as follows:

I. No order in any such summary suit, and no such sale made as aforesaid, which has not been questioned before a Court of competent jurisdiction, before the passing of this Act, on the ground of having been decided or made by a Collector having no jurisdiction therein, shall be liable to be annulled or disputed on that ground.

II. Where the lands which are the subject of such summary suits or such sales as aforesaid are situate in a judicial district, other than that of the Collector or Deputy Collector who receives the Sudder Malgoonzaree of such lands, all such summary suits and sales as aforesaid shall be tried and decided or made by the Collector or Deputy Collector who has jurisdiction in the greater part

of the judicial district in which the lands are situated.

III. Where the lands which are the subject of such summary suits or such sales as aforesaid, are situate in a judicial district, which is divided into two or more Collectorate districts, all such summary suits and sales as aforesaid shall be tried and decided or made by the Collector or Deputy Collector who has jurisdiction in that part of the judicial district in which the lands are situated.

IV. Sections IX., XI., XIII., XV. and XVII. of Regulation VIII. of 1819 of the Bengal Code, shall be applicable to sales of under tenures under the provisions of Act VIII. of 1835.

Ordered that the Draft now read be reconsidered at the first meeting of the Legislative Council of India after the 2nd day of March next.

Secy. to the Govt. of India.

Fort William, Home Department, Legislative,

The following Act is passed by the Hon'ble the President of the Council of India in Council, on the 2nd January 1852, with the assent of the Most Noble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. I. OF 1852.

An Act for the consolidation and amendment of the Laws relating to the Customs under the Presidency of Bombay.

Whereas it is expedient to consolidate into one Act the laws now in force, relating to the customs under the Presidency of Bombay, and also to amend the rules for the collection and management of the same, It is enacted as follows:

I. The following Regulations and parts of Regulations of the Bombay Code, and the following Acts and parts of Acts of the Government of India, are repealed, that is to say, Sections I. II. and III., Regulation VI. of 1799; Clause II.

Section VII. Regulation IX. of 1800; Sections XIV. XVII. XX. XXI. and XXV., Regulation I. of 1805; Section IV. Regulation II. of 1810; Regulation VI. of 1814; Chapters III. V. and VII. Regulation XX. of 1827; Regulation I. of 1833; Act I. of 1838, except in so far as it repeals any Regulation of the Bombay Code, or Act of the Government of India; Act IX. of 1845, so far as it relates to the Bombay Presidency, except so far as it repeals any other Act; Act II. of 1846; and all other Acts and parts of Acts, and all other Regulations and parts of Regulations of the Bombay Code, so far as such Acts or Regulations prescribe the levy within the Bombay Presidency of any customs duties, as well on transit by land as on import and export by sea, or which relate in any way to such duties, or which require the payment of any fee leviable by Customs Authorities on account of any vessel which may enter any port in the territories subject to the Presidency of Bombay.

II. Nothing hereinbefore contained shall be construed to prevent the levy of any anchorage or harbour dues now leviable at the port of Bombay, or the levy of any special duties on opium, tobacco, gunja, spirits or salt which are, or may be, established by any Law, or the levy of any town duty, or of any Municipal Tax, or of any toll on any bridge, road, canal or causeway, or for repair and maintenance of light-houses, or the levy of any rent or fee leviable under Act XXV. of 1836, on the warehousing of goods.

III. The Governor of Bombay in Council may appoint one or more persons, to be commissioners of customs for the collection and management of the customs throughout the whole of the Presidency of Bombay with such salary or salaries as the said Governor in Council may deem reasonable; the persons so appointed shall hold their offices during the pleasure of the said Governor in Council, and shall, in all matters relating to the execution of their duties, be subject to the authority, direction and control of, and obey such orders and instructions as shall, from time to time, be issued to them by, the said Governor in Council.

IV. The Governor of Bombay in Council may appoint such persons as he may deem fit for the control and supervision of the collection and management of the customs in the Bombay Presidency under this Act, as collectors of customs, or under such other designation as the said Governor in Council shall determine; the persons so appointed shall be subject to the authority and control of the commissioner or commissioners (if any such officer shall have been appointed) in such manner and to such extent as the said Governor in Council, from time to time, may direct.

V. The Governor of Bombay in Council may appoint all other proper persons to execute the duties of the several subordinate officers necessary to the due management and collection of the customs, and may require from such persons such securities for their good conduct therein as the said Governor in Council may deem necessary; and may, from time to time, transfer any part of the duties and powers of any officer of customs under this Act to any other officer in such cases and under such restrictions as the said Governor in Council may deem fit; and every officer of customs appointed or employed on any duty relating to the said customs shall hold his office during the pleasure of the Governor of Bombay in Council: all persons holding any office or

employment in the said customs, at the time of the passing of this Act, shall continue to be so employed therein under this Act until duly removed therefrom.

VI. The Governor of Bombay in Council may delegate the whole or any portion of the powers with which he is invested by the preceding section to any commissioner or collector or other officer of customs regularly appointed, under the provisions of this Act, and all subordinate officers of customs, who may be appointed by such commissioner or collector, or other officer of customs, by virtue of such delegated power shall be liable to be dismissed, suspended or fined to an extent not exceeding two months pay by the authority by which they were respectively appointed, subject to the control of Government, or of superior authority in the customs department.

VII. Whoever intentionally obstructs any officer, in the exercise of any powers given by this Act to such officer, shall be liable to imprisonment for any term not exceeding six months, or a fine not exceeding one thousand rupees, or both.

VIII. Any person, who shall offer a bribe to any custom house officer in order to induce such officer to act in a manner inconsistent with his duty, shall be liable for every such offence to a fine not exceeding one thousand rupees, or to imprisonment for any term not exceeding six months, or both.

IX. No action shall lie in the Supreme Court for any act or thing done under this Act; but every action for any wrong or trespass, if committed within the local limits of the Island of Bombay, shall be tried and determined before the Revenue Judge of Bombay, and if committed in any part of the Presidency of Bombay without those limits, then before the proper Zillah Judge within whose jurisdiction the same shall have been committed; and such Revenue Judge of Bombay, or Zillah Judge respectively, shall award such damages to the party aggrieved for the injury done as shall be just and equitable. Provided, that if it shall appear that there was reasonable and probable cause for the act complained of, the plaintiff shall not be entitled, beyond the restoration of any article unlawfully seized, or the value thereof, to more than two annas damages without costs.

X. Whoever, being an officer appointed under the authority of this Act, shall be guilty of a wilful breach of the rules prescribed in this Act, or any other rules that shall be passed by the Governor of Bombay in Council under the authority of it, or shall accept, or obtain or attempt to obtain from any person any property, gratuity or benefit as a consideration for doing or forbearing to do any official act, shall be liable to imprisonment for any term not exceeding two years or fine, or both.

XI. Whoever, being an officer appointed under the authority of this Act, practises or attempts to practise any fraud for the purpose of defrauding the customs revenue, or abets or conspires at any such fraud, or at any attempt to practise any such fraud, shall be liable to imprisonment for any term not exceeding two years, or to fine, or both.

XII. In all cases in which under this Act, goods are liable to confiscation, and in all cases in which under this Act, any person in charge of, or owning a vessel, or landing or shipping goods,

or passing them through the custom house, is liable to a penalty, a commissioner or collector of customs may adjudicate such confiscation or such penalty; or the same may be adjudged by a deputy or by an assistant collector of customs being a Justice of the Peace: provided, that the power to adjudicate confiscation shall not extend as regards a deputy collector to goods beyond the value of rupees one thousand, nor as regards an assistant collector to goods beyond the value of rupees one hundred, nor shall any deputy collector impose any fine beyond the amount of rupees fifty, nor any assistant collector beyond the amount of rupees ten; and all cases adjudicated by a deputy or assistant collector shall be liable to revision by a collector of customs on appeal.

XIII. In case any goods, ship, vessel, boat, cart, vehicle, or other article shall be seized as forfeited, or detained as under-valued under this Act, the adjudicating officer may order the same to be restored in such manner and on such terms and conditions as he thinks fit to direct: and if the proprietor of the same accepts such terms and conditions, he shall not have or maintain any action for recompense or damage on account of such seizure or detention, and the adjudicating officer shall not proceed to condemnation.

XIV. Any collector of customs or other officer, who is authorized to adjudicate customs cases, if he shall decide that a seizure of goods made under the authority of this Act was vexatious and unnecessary, may adjudge damages to be paid to the proprietor by the customs officer who made such a vexatious seizure, beside ordering the immediate release of the goods; and if the proprietor accepts such damages no action shall thereafter lie against the officer of customs, in any court of justice, on account of such seizure; and if such adjudicating officer shall decide that the seizure was warranted, but shall deem that the penalty of confiscation is unduly severe, he may mitigate the same by levying on the goods so seized as aforesaid, any portion of the market value of such goods not less than one-tenth of such value; and if the said officer adjudges confiscation, or any penalty in mitigation of confiscation, he may order that from the sale of the goods, or from the proceeds of any penalty inflicted in mitigation of confiscation, a proportion not exceeding, in all cases of seizure except seizures of salt or tobacco, one-half of the sum remaining after payment of all Government demands shall be distributed in rewards amongst such officers as he deems entitled thereto, and in such proportion as he directs to each respectively: but in awarding rewards for the seizure of confiscated salt or tobacco, he may award one-half of the proceeds of sale, without making any deduction on account of Government demands.

XV. All penalties under this Act, except those specified in any judicial award of the collector or other adjudicating officer, as provided for in Section XIII. of this Act, shall be adjudged and determined by the officiating magistrate of the place where the offence shall have been committed; and any collector being a justice of the peace, or deputy or assistant collector authorized in such behalf by his superior and being a justice of peace, may take informations and depositions on oath or solemn affirmation or declaration touching any matters involving a breach of any of the provisions of this Act, and if

taken in the presence of the party or parties charged with such breach, the same shall be received in evidence by such magistrate in the like manner and to the same extent as if taken before him, and shall be deemed sufficient for him to adjudicate thereon: but nothing herein contained shall prevent such magistrate from taking any information or deposition afresh, or from taking other and further depositions in the matter, if he think fit.

XVI. If any person in charge of, or owning a vessel shall have become liable to any fine on account of any act or omission relating to the customs, the collector of customs, subject to the orders of the Governor of Bombay in Council, may refuse port clearance to such vessel until the fine is discharged; and in like manner if any person passing goods through the custom house, shall have become liable to any fine, the collector of customs may detain such goods until the fine is discharged.

XVII. No person shall act as an agent for transacting business in the custom house in the port of Bombay which shall relate to the entrance or clearance of any ship, goods, or baggage, unless authorized so to do by licence of the collector of customs, who may require a bond to be given by every person to whom such licence shall be granted, with sufficient securities, in any sum not exceeding five thousand rupees for the faithful and incorrupt behaviour of such person as regards the custom house regulations and its officers; and every person who shall act as such agent not being so licensed shall, for every such offence, be liable to a fine not exceeding the sum of five hundred rupees. Provided always, that nothing herein contained shall extend to forbid the clerk or servant, or known accredited agent of any person, or of any mercantile firm, from transacting business at the custom house on account of such person or firm without licence.

XVIII. Duties of customs shall be levied on goods imported by sea from any port not subject to the Government of the East India Company, or from Aden, or any port in the Straits of Malacca, the Tenasserim Provinces, or the Province of Arracan, into any place in the territories subordinate to the Government of the Presidency of Bombay according to the rates specified in Schedule A. annexed to this Act, and with the exceptions specified therein; and the said Schedule shall be taken to be a part of this Act.

XIX. Duties of customs shall be levied upon goods the produce or manufacture of India exported by sea to any port situated beyond the territories subject to the Government of the East India Company, or to Aden, or to any port in the Straits of Malacca, the Tenasserim Provinces, or the Province of Arracan, from any port of the Bombay Presidency, according to the rates specified in Schedule B. annexed to this Act, with the exceptions therein specified; and the said Schedule with the notes attached thereto, shall be taken to be a part of this Act. Provided always that the ships of any European nation having firm privileges in the port of Surat, shall not be subject to further duties of import or export than may be prescribed by their Highnesses respectively; any thing in the Schedules or in this Act notwithstanding.

XX. Goods exported from any port subject to the Government of the East India Company,

and imported at any other port subordinate to the Government of Bombay shall be liable on importation to the same rate of duty as may be fixed on spirit of country manufacture by Schedule A. annexed to this Act, or by any future enactment. Provided always that if the said spirit be accompanied by a document signed by competent authority, certifying that a duty, whether of customs or otherwise, has been paid on the said spirit to the East India Company, credit shall be allowed for the sum so paid in settling the customs at the port of import; and if such sum equal or exceed the full amount of customs leviable on spirits of country manufacture under Schedule A. aforesaid, or any future enactment, then the spirit on which such duty has been paid shall be admitted to free entry.

XXI. The Governor in Council may direct that an anchorage toll shall be levied at any port or ports within the Bombay Presidency on all vessels arriving from any other port or ports which may be specified by the said Governor in Council, and such anchorage toll shall be levied at such port or ports on every such vessel on each arrival of such vessel at the rates specified in Schedule C. annexed to this Act: and the said Schedule shall be taken to be part of this Act.

XXII. No goods entered in either of the Schedules of this Act, as liable to duty, shall be exempted from the payment of such duty or of any part thereof, except under special order from the Governor of Bombay in Council, and the collector of customs shall detain all goods subject to duty under this Act until such duty shall have been duly paid according to the rules herein provided: Provided always, that the collector of customs, or other officer in charge of a custom house, may at his discretion pass free of duty any passenger's personal baggage in actual use, and if any person shall apply to have goods passed as such baggage, the collector, acting under the orders of Government, shall determine whether they be passenger's personal baggage in actual use, or goods subject to duty under the provisions of this Act.

XXIII. On application by the exporter of any salt that has paid the excise duty, as established by law, a certificate shall be granted by the collector of customs at the place of export, under authority of which certificate the quantity of salt specified therein may be landed at any other port of the said Presidency of Bombay, and passed from such port into the interior of the country without the levy of any further duty either of excise or of customs.

XXIV. The Governor of Bombay in Council, from time to time by notice in the official Gazette of that Presidency, may fix a value for any article, or number of articles, liable to duty upon their value, and the value so fixed for such articles shall, till altered by a similar notice, be taken to be the value of such articles for the purpose of levying duty on the same.

XXV. When goods liable to duty for which a value has been fixed by such notice or for which a fixed duty has been declared by the Schedules annexed to this Act, are brought to any custom house in the Bombay Presidency in a damaged state, and such damage is declared previous to the assessment of customs on such goods, the collector of customs may make an abatement of customs in proportion to the damage received, and in estimating such damage, he shall be guided by such rules as the Governor of Bombay in

Council may from time to time determine and notify; but if the value of the goods be not deteriorated more than one-fifth part thereof no abatement of customs shall be allowed.

**XXVI.** When goods liable to duty, for which a value has not been fixed by such a notice as is above directed, or for which a fixed duty has not been declared by the Schedules annexed to this Act, are brought to any custom house in the Presidency of Bombay for the purpose of being passed for importation or exportation, the duty leviable on such goods shall be levied according to the market value of such goods at the place and time of importation or exportation as the case may be.

**XXVII.** No goods shall be allowed to be passed through the custom house until a written application, according to a form to be prescribed by the collector of customs, shall have been made by the owner, consignee, exporter, importer, or the agent for any of such persons respectively, for permission to pass such goods through the custom house; and such application shall contain a true description of such goods, with the marks, numbers and description of the packages containing the same, and a declaration of their value, and shall set forth the name of the ship in which the goods have been imported, or are to be exported, the name of the master of the said ship, the colors under which the said ship sails, and the country in which the goods were produced. If any goods shall be passed through the custom house, or attempted to be removed therefrom without such an application in writing as is above described, they shall be liable to be seized and confiscated.

**XXVIII.** The market value for assessment of duties on the goods indicated in Section XXVI. shall be that declared in the application to be made, as aforesaid. Provided always, that the value so declared be admitted by the collector or by the officer appointed to appraise goods at the custom house; but if the value of the whole or any part of the goods entered in the declaration aforesaid shall seem to the collector to be understated in such declaration, he shall have power to take the goods, or any part thereof as purchased for the Government at the price so declared; and whenever the collector of customs shall so take goods for the Government, payment thereof shall be made to the consignee, importer or exporter within one month from the date of the declaration; if the goods be imported goods, the amount of import duty leviable thereon shall be first deducted, and if the goods be intended for exportation, the entire value as declared, shall be paid without deduction on account of customs duty: and the collector shall sell the goods so taken on account of Government; and, if they shall realize on sale a sum exceeding all charges incurred on them by Government, a proportion not more than one-half of the excess shall, at the discretion of the collector, be payable to the officer who reported the undervaluation of the goods, who shall in like manner be liable to pay one-half of the net loss that may accrue on the sale of the said goods.

**XXIX.** And whereas under Section XXIV. of this Act, it may be found expedient to fix the dutiable value of certain goods ■ the rates shown by their invoice, when it shall appear to the officer of customs appointed to appraise goods at the custom house that any goods are undervalued in an invoice presented for the purpose of evading customs, he shall report the same to the collector of customs, who shall call upon the

Importer or Exporter to declare the market value of the goods in question, and if the value so declared shall appear to the Collector insufficient, he may take such goods for Government at the value so declared, and dispose of them as empowered by Section XXVIII. of this Act.

**XXX.** Upon any goods liable to duty that may be passed through the custom house for shipment, the application for which shall be presented after port clearance shall have been taken out, double of the prescribed duty shall, in all cases, be levied, and if the goods (always excepting treasure and opium) be free, or have already paid import duty, or have been imported free under certificate, five per cent. upon the market value shall be levied thereon, or if the same be imported goods entitled to drawback, the drawback shall be forfeited, but no separate duty shall be levied on drawback goods.

**XXXI.** When a vessel having cleared out for any port, shall put back from stress of weather, or it shall from any damage, or from other cause be necessary that the cargo of a vessel that has cleared out shall be unshipped or relanded, a customs officer shall be sent to watch the vessel, and take charge of the cargo during such relanding or removal from on board; and the goods on board such vessel shall not be allowed to be transhipped or re-exported free of duty by reason of the previous settlement of duty at the time of first export unless the goods shall be lodged in such place as shall be allowed by the collector of customs, and shall remain while on land or while on board of any other vessel under special charge of the officers of customs until the time of re-export, and all charges attending such custody shall be borne by the exporter. Provided however, that in all cases of return to port after port clearance on account of damage or for stress of weather, the owner or master may enter the vessel and land the cargo under the rules for the importation of goods, and the export duty shall in that case be refunded, and the amount paid in drawback be reclaimed; and if goods on account of which drawback has been paid, be not found on board the vessel, the Master shall be liable to a fine not exceeding the entire value thereof, unless he accounts for them to the satisfaction of the collector of customs.

**XXXII.** When goods shall be relanded before the lading of any vessel is complete, and before port clearance has been granted, the duty levied upon such goods shall be returned to the exporter, but no refund shall be made of duty paid on the export of any goods after port clearance shall have been granted for the vessel on which the goods are exported, unless the vessel shall have put back for stress of weather or for damage, and the goods shall have been relanded under the rule contained in Section XXXI.

**XXXIII.** Goods exported in the same vessel on which they were imported, if manifested for re-export, shall not be subject to import or export duty; and, if any goods brought to any port in any vessel be transhipped in such port, they shall in all cases be subject to the same duty as if they had been landed and passed through the custom house for re-exportation in the vessel into which they may be transhipped.

**XXXIV.** No duty of customs which shall have been charged and paid, and of which repayment is claimed in consequence of the same having been charged or paid under an erroneous construction of law or from other error, shall be

returned unless such claim is made within two years from the date of such payment.

**XXXV.** With the sanction of the Governor of Bombay in Council, seven-eighths of the customs levied on imports may be repaid as drawback upon the re-export by sea of goods which can be identified to the satisfaction of the collector of customs as having previously paid customs duties on import at the same port; provided that such re-export be made within two years of the date of import by the custom house register, and the drawback be claimed at the time of re-export; but no drawback shall be claimable under this Act on any re-export of opium or salt, or of goods destined for any port in the territories subject to the Government of the East India Company, except Aden, and ports in the Straits of Malacca, the Tenasserim Provinces, and the Province of Aracan.

**XXXVI.** Every person who shall counterfeit or falsify, or wilfully use when counterfeited or falsified, any invoice, entry, cocket, or other document for the purpose of clearing, or having customs duties assessed on, any goods, shall be liable to a fine not exceeding one thousand rupees.

**XLIII.** No vessel shall be entitled to inward entry, or be allowed to break bulk, until a manifest in duplicate, as required by this Act, shall have been received by the collector of customs, or until orders have been given by the said collector for the discharge of the cargo; and the said collector may further refuse to give such order, if

he shall see fit, until any port clearance, cocket or other papers known to be granted at the places from which the vessel is stated to have come, shall likewise be delivered to him.

**XLIV.** No vessel shall be entitled to entry outwards, or to take on board any part of her export cargo, until a written application for such purpose shall have been made by the master of such vessel to the collector of customs, nor until an order shall have been given by the said collector for shipping export cargo, and in the written application to be made as aforesaid, the name, tonnage, and nation of the vessel shall be described, as also the name of the master, and the name or names of the place or places for which she is bound.

**XLV.** If in the application prescribed by the preceding Section of this Act, a vessel be described to be bound to any port or ports within the territories of the East India Company, then the collector of customs, or, in his absence, his deputy or assistant, may refuse a port clearance to such vessel until the master or commander thereof shall have given a joint bond together with the owner or the consignee of the said vessel, or some other party approved by the collector of customs, or in his absence by his deputy or assistant, by which such parties or one of them shall be bound to produce to the collector of customs a certificate from the officer in charge of the port to which such vessel is said to be bound, of her arrival at such port within a fair and reasonable time to be prescribed by the collector in each case, and in failure of producing such certificate, or showing sufficient reason for its non-production, the parties to the bond aforesaid shall be jointly and severally bound to pay a penal sum equal to double the amount of customs which would have been chargeable on the export cargo of the said vessel had she been declared bound to a port beyond the territories of the East India Company.

**XLVI.** No goods shall be allowed to leave any vessel or to be put on board thereof, until entry of the vessel shall have been duly made in the custom house of the port, and until order shall have been given for discharge or shipment of the cargo thereof as above provided, and it shall be the duty of every customs officer to seize as contraband any goods which have been removed from or put on board of any vessel in contravention of the above provision; and the master of any vessel who shall permit or neglect to take measures for preventing the landing or shipping of any goods in contravention of the above provisions, shall be liable to a fine not exceeding five hundred rupees.

**XLVIII.** If goods entered in the manifest of a vessel shall not be found on board that vessel, or if the quantity found be short, and the deficiency be not duly accounted for, or if goods sent out of the vessel be not landed at the custom house,

or at such other place as the collector of customs shall have prescribed, the master shall be liable to a penalty not exceeding five hundred rupees for every missing or deficient package of unknown value, and to a penalty equal to twice the amount of duty chargeable on the goods deficient and unaccounted for, if the duty can be ascertained, and if they be not subject to duty, then to a penalty equal to five per cent. on the value of such deficient goods. Provided always that nothing herein contained shall be construed to prevent the collector of customs from permitting, at his discretion, the master of any vessel to amend obvious and unintentional errors, or to supply omissions from accident or inadvertence, by furnishing an amended or supplemental manifest.

**XLIX.** Every master of a vessel who shall remove from such vessel or put on board thereof any goods, or cause or suffer any goods to be removed from thence, or put on board thereof between sunset and sunrise, or on any day when the custom house is closed for business, without leave in writing obtained from the collector of customs, shall be both to a fine not exceeding five hundred rupees.

**L.** When goods shall be sent from on board of any vessel for the purpose of being landed and passed for importation, there shall be sent with each boat load, or other separate despatch, a boat note specifying the number of packages and the marks and numbers, or other description thereof, and such boat note shall be signed by an officer of the vessel; and if the vessel have a customs officer on board, the boat note must be signed by such officer as well as by an officer of the vessel; and, if any imported goods be found in a boat proceeding to land from such a vessel without a boat note as above provided, or if being accompanied by such boat note they be found out of the proper track between the ship and the proper place of landing, the boat containing such goods may be detained by any officer of customs duly authorized by the collector; and, unless the cause of deviation be explained to the satisfaction of the collector of customs, the goods shall be liable to seizure and confiscation.

**LI.** Except in special cases sanctioned by the collector of customs, twenty days, exclusive of Sundays and holidays, shall be allowed for the discharge of the import cargo of vessels not exceeding six hundred tons' burthen, and thirty days for vessels exceeding that burthen; and the said periods shall be calculated from the date at which the vessel was admitted to entry inward; and if any goods remain on board after the periods above fixed, the collector may order the same to be landed and warehoused, for the security of the duties chargeable thereon, and of any freight and primage and other demands that may be due thereon, giving his receipt to the master for the goods so warehoused; but the collector or other officer in charge of the custom house, with the consent of the master of the vessel, may cause any packages to be brought on shore and to be deposited in the Government warehouses, although the periods above fixed have not expired.

**LII.** No vessel shall depart from any port of the Presidency of Bombay without a port clearance being granted by the collector of customs or other proper officer duly authorized by the Governor of Bombay in Council to grant the same, and application shall be made for such port clearance, at least twenty-four hours before the intended departure of the vessel; and no

5th. A like certificate from the registrar of shipping.

6th. A list of the crew and (if any) of the passengers; but if none, then a declaration of the master to such effect.

Provided always that it shall be lawful for the Governor of Bombay in Council in any cases of necessity or special emergency, to authorize the granting of such port clearance without the production of any one or more of the documents herein before enumerated, and on such terms and conditions as he may think fit.

LIII. The master of every vessel leaving any port in the Bombay Presidency shall, at the time of applying as above prescribed for a port clearance, deliver to the collector of customs or other principal customs officer of such port in duplicate a true manifest of the cargo on board, and if there be no cargo, then a blank manifest made out according to such form as may be prescribed by the collector of customs; and if such manifest so delivered shall not contain a full and true specification of all goods to be exported in the vessel, the said master shall be liable to a fine not exceeding one thousand rupees; and any goods or packages found on board in excess of the manifest so delivered, or differing in quantity, or in kind, or in marks, or in numbers, from the specification contained therein, shall be liable to be seized by any customs officer and confiscated, or charged with such increased duties not exceeding the value of such goods or packages as may be determined by the collector of customs.

LVIII. There shall be in every port of the Bombay Presidency one or more places for the landing and shipment of goods, and goods shall not be landed or embarked at any other place without the special order in writing of the collector of customs for the port; and, if any goods be landed or embarked, or an attempt be made to land or embark any goods at any other than the said authorized places, without such order, they shall be seized and confiscated.

LIX. The Governor of Bombay in Council may establish rules for the anchorage of the coasting and country craft of the British territories, for the delivery of manifests of the cargo of such vessels, and for the landing of goods therefrom, and shipping and transshipping of goods therein; and whoever, being in charge of any such craft or being owner of the vessel or of any part of her cargo, shall knowingly contravene any such rule, shall be liable to a fine not exceeding one hundred rupees for each offence.

LX. Goods which shall be brought to be passed through the custom house either for importation or exportation by sea shall be liable to confiscation if the packages in which the same may be contained shall be found not to correspond with the description of them given in the application for passing them through the custom house, or if the contents thereof be found not to have been correctly described in regard to sort, quality or quantity, or if in or among the packages any goods not stated in the application be found concealed in or mixed up with the specified goods.

LXI. Any exported goods which shall be found in the harbour, or any imported goods which shall be found on the wharf, of any port under the Bombay Presidency, shall be liable to confiscation, unless the owner, consignee, or other parties interested in the said goods, shall prove in the case of exported goods that they have been duly passed through the custom house, or, in the case of imported goods, that they have been landed according to the rules prescribed by this Act, preparatory to their being so passed.

LXII. The Governor of Bombay in Council, by an order in Council, may fix and from time to time alter rates of rent to be charged on goods placed in the Government warehouses, or which may be, beyond such period as may be determined by the Governor in Council, lying on the custom house wharf or other authorized landing places.

LXIII. The unshipping, carrying, shipping and landing of all goods, and the bringing of the same to the proper place for examination or for weighing, and the putting the same into and out of the scales, shall be performed by or at the expense of the importer or exporter of such goods.

**LXIV.** The collector of customs, whenever he shall see fit, may require that goods brought by sea, and stowed in bulk, shall be weighed or measured on board ship before being sent to land, and may levy duty according to the result of such weighing or measurement.

**LXV.** The Governor of Bombay in Council, from time to time, may issue such rules as appear to him expedient for landing or shipping passenger's baggage, and passing the same through the custom house, and also for landing, shipping and clearing parcels forwarded by Her Majesty's or the East India Company's mails, or by other regular packets and passenger vessels; and when any baggage or parcels are made over to the custom house officer, for the purpose of being landed, a fee of such amount as the Governor of Bombay in Council may from time to time direct shall be chargeable thereon, as compensation for the expense and trouble incurred in landing and depositing the same in the custom house.

**LXVI.** If any person, after goods have been landed and before they have been passed through the custom house, removes or attempts to remove them with the intention of defrauding the revenue, the goods shall be liable to confiscation, unless it shall be proved, to the satisfaction of the collector of customs, that the removal was not sanctioned by the owner or by any person having an interest in or power over the goods; on such proof, the goods shall not be liable to confiscation, but the party or parties so removing or attempting to remove the goods, shall be liable to a fine not exceeding the value of the said goods.

**LXVII.** In case of any goods landed from any vessel not being claimed and cleared from the custom house within three months from the date of entry of the ship in which such goods were imported, the collector, after publication of a description of the same in the Government Gazette, may sell the same on account of the duties and other charges due thereon; and the balance remaining after deducting the said duties and charges shall be held in deposit and paid to the owner on application; provided that such application be made within two years of the sale of the goods, or good reason be shewn why such application has not been made.

**LXVIII.** If the Governor of Bombay in Council shall see fit for the security of customs at any port to maintain special establishments of boats for landing and shipping merchandise, or to license and register the cargo boats plying in any ports, then, after due notification thereof, no person shall convey goods ■ or from any vessel in such port otherwise than in the boats so authorized and prescribed, except under special permit from the collector of customs ■ the port: and any goods found on board of other boats than those so authorized for the port, shall be liable to be seized by any officer of customs and shall be liable to confiscation; and the tinda or owner of any such boat shall be liable to a fine not exceeding fifty rupees for each offence.

**LXX.** Any master of such vessel at such port, who shall refuse to receive an officer so deputed with one servant on board, or who shall not afford such officer and servant suitable shelter and accommodation while on board, and likewise furnish them with a due allowance of fresh water if necessary, and with the means of cooking on board, shall be liable to a fine not exceeding one hundred rupees for each day during which such officer and servant continue on board, and shall not be received and provided with suitable shelter and accommodation.

**LXXI.** If application be made to the collector for an extension of the period allowed in Section LI. of this Act for the discharge of the import cargo of any vessel on board of which a custom house officer shall have been placed, and the collector may see fit to grant any such extension, the master of such vessel shall be charged with the wages of such officer and other expenses, for such period as such officer may be detained on board beyond the period fixed by Section LI. of this Act.

**LXXII.** If any officer shall be placed on board for the purpose of superintending the lading of any vessel, and the unloading and lading of such vessel be continuous, then a period of twenty days shall be allowed for taking in export cargo; and the said period shall be calculated from the termination of the period allowed for discharging cargo by Section LI. of this Act; and the master thereof shall be charged for the wages and expenses of the customs officer on board after the expiration of such additional period. But, if the unloading and lading of any vessel be not continuous, and a customs officer is appointed to superintend the lading thereof, then the period of thirty days shall be allowed from the date of entry of the vessel outwards, and the master of the vessel shall be charged for the wages and expenses of the customs officer on board after the expiration of that period.

### ACT No. II. OF 1852.

*An Act for the collection of Land Customs on certain Foreign Frontiers of the Presidency of Bombay.*

Whereas it is expedient to provide for the collection of Land Customs on certain Foreign Frontiers, It is enacted as follows :

I. Duties of Customs shall be levied on Goods passing by land into or out of Foreign European Settlements, situated on the line of Coast within the limits of the Presidency of Bombay, at the rates prescribed in the Schedules of Act I. of 1852, at the ports of that Presidency.

II. The Governor of the Presidency of Bombay in Council may declare, by notice to be published in the official Gazette of that Presidency, that the Territory of any Native Chief, not subject to the jurisdiction of the Courts and Civil Authorities of that Presidency, shall be deemed to be Foreign Territory, and may declare Goods passing into, or out of such territory liable either to the duty fixed by the Schedules of Act I. of 1852 for Goods imported or exported at the ports of that Presidency, or to double the said duties as the Governor of Bombay in Council may think fit.

III. For the levy of duties of Customs as above provided on Goods exported by land to, or imported by land from, such Foreign Territories, Customs Stations may be established at such places as may be determined by the said Governor of Bombay in Council; and every Officer at every such Station shall have power to detain Goods passing into, or out of any such Foreign Territory, and to examine and ascertain the quantities and kinds thereof; and such Goods shall not be allowed to pass across the Frontier line out of or into the Territory of the East India Company, until the owner or person in charge thereof shall produce and deliver a certificate shewing that the Customs duty leviable thereupon has been paid.

IV. Any Officer of Sea Customs may receive money on account of Customs, and grant certificates of the payment thereof; and any such certificate, being delivered to any Station Officer, shall entitle the Goods therein mentioned to cross the Frontier into or out of the East India Company's Territories, provided that the goods correspond with the specification thereof contained in such certificates, and that the certificates shew the entire amount of duty leviable on those Goods to have been duly paid; and if upon examination the Goods brought to any Station be found not to correspond with the specification entered in the certificate presented with the goods, the difference shall be noted on the face of the certificate; and if the payment of duty certified therein shall not cover the entire amount of duty leviable on the Goods, as ascertained at such examination, the

Goods shall be detained until further certificate for the difference shall be produced.

V. The said Governor of Bombay in Council shall appoint proper Officers to receive Customs duties on Goods crossing the land Frontier of the said Foreign Territories; and the Officers so appointed shall, on the receipt of money tendered as Customs duty, be bound to give any merchant or other person applying for the same a certificate of payment, and to enter therein the specification of Goods, with the values and description thereof, according to the statement furnished by the person so applying; provided only, that the proper duty leviable thereupon, according to the descriptions and values stated, be covered by the payment made.

VI. No certificate shall be received at any Station that shall bear date more than thirty days before the date when the Goods arrived at such Station; but any person, who has taken out a certificate from any authorized Receiver of Customs duties, shall be entitled, at any time within the said period of thirty days, on satisfying such Receiver that such certificate has not been used, and on delivering up the original, to receive a renewed certificate with a fresh date without further payment of duty.

VII. The said Governor of Bombay in Council may prescribe, by public notice in the official Gazette of the Presidency of Bombay, by what ways Goods shall be allowed to pass into or out of any such Foreign Territory, as is described in Sections I. and II. of this Act; and after such notice, Goods which may be brought to any Station established on other roads or passes than those so prescribed, shall, if provided with a certificate, be sent back; and if not provided with a certificate, shall be detained, and shall be liable to confiscation by the Collector of Customs, unless the person in charge thereof shall be able to satisfy the said Collector, that his carrying them by that road or pass was from ignorance or accident.

VIII. Goods unlawfully passed, or attempted to be passed unlawfully across any Frontier guarded by Stations; between sunset and sunrise, shall be seized and confiscated.

IX. Any Station Officer who shall permit Goods to pass across the Frontier, when not covered by a sufficient certificate, or who shall permit Goods to pass by any road or pass other than the prescribed ways, shall be liable, on conviction before a Magistrate, to imprisonment for any term not exceeding six months, and to a fine not exceeding five hundred Rupees, commutable, if not paid, to imprisonment for a further period of six months.

X. Any Station Officer who shall needlessly and vexatiously injure Goods under the pretence of examination, or in the course of his examination, or who shall wrongfully detain Goods for which there is produced a sufficient certificate, shall, on conviction before any Magistrate, be liable to imprisonment for any term not exceeding six months, and to a fine not exceeding five hundred Rupees, commutable, if not paid, to imprisonment for a further period of six months.

XI. All confiscations and penalties under this Act may be adjudicated by Officers competent to adjudicate like confiscations and penalties under Act I. of 1852, and such Officers shall be subject to the same liabilities and rules

in adjudicating such penalties and confiscations as they are subject to when adjudicating the like confiscations and penalties under the provisions of the aforesaid Act.

Secy. to the Govt. of India.

Fort William, Home Department, Legislative,  
the 2nd January 1852.

The following Extract from the Proceedings of the Hon'ble the President of the Council of India in Council in the Legislative branch of the Home Department under date the 2nd January is published for general information:

Read a second time the draft of a proposed Act, dated the 11th July 1851, and published in the *Calcutta Gazette* of the 16th July 1851 for summary suits for arrears of rent and sales of saleable tenures to be held within the judicial district in which the lands are situated.

*Resolution.*—The President in Council resolves that the following amended Draft on the subject be published for general information.

Act No. — of 1852.

*For the trial of summary suits for arrears of rent, and for the sales of saleable tenures, within the judicial district in which the lands are situated.*

Whereas by Regulation VIII. of 1831 of the Bengal Code the hearing and decision of summary suits or claims relating to arrears or exactions of rents were transferred from the Judges of the Zillah or City Courts to the Collectors of the several Districts; and whereas, by Regulation VII. of 1832 of the Bengal Code, the superintendence of the sales of Putnee Talooks and other saleable tenures of the class specified in Clause 1, Section VIII. Regulation VIII. of 1819, was transferred to the Collector or Deputy Collector of Land Revenue, or Head Assistant to the Collector or Deputy Collector, subject to an appeal to the Commissioner of Revenue for the Division; and whereas by Act VIII. of 1835 the conduct of sales of Talooks or other saleable tenures in execution of summary decrees for rent, in conformity with Regulation VII. of 1799 of the same Code was transferred to the Collectors of Land Revenue; and whereas doubts have been entertained as to the District within which such summary suits or claims should be decided, and such sales made, by reason that the jurisdiction of the several Zillah and City Courts is not conformable with the jurisdiction of the several Collectors of land Revenue, It is enacted as follows:

I. No order in any such summary suit, and no such sale made as aforesaid, which has not been questioned before a Court of competent judicature, before the passing of this Act, on the ground of having been decided or made by a Collector having no jurisdiction therein, shall be liable to be annulled or disputed on that ground.

II. Where the lands which are the subject of such summary suits or such sales as aforesaid are situate in a judicial district, other than that of the Collector or Deputy Collector who receives the Sadder Malgozaree of such lands, all such summary suits and sales as aforesaid shall be tried and decided or made by the Collector or Deputy Collector who has jurisdiction in the greater part of the judicial district in which the lands are situated.

III. Where the lands which are the subject of such summary suits or such sales as aforesaid, are situate in a judicial district, which is divided into two or more Collectorate districts, all such summary suits and sales as aforesaid shall be tried and decided or made by the Collector or Deputy Collector who has jurisdiction in that part of the judicial district in which the lands are situated.

IV. Sections IX., XI., XIII., XV. and XVII. of Regulation VIII. of 1819 of the Bengal Code, shall be applicable to sales of under tenures under the provisions of Act VIII. of 1835.

Ordered that the Draft now read be reconsidered at the first meeting of the Legislative Council of India after the 2nd day of March next.

While thus doing duty, the Chaplains will be exempted from any reduction of salary; but in all other respects they will be considered as absent on leave. The period during which they can enjoy exemption from loss of salary, is consequently limited to 2 years, and any prolongation of absence beyond that time, will subject them to the same disadvantages as if they had not been put in charge of the duties of the Station. Ditto of Benares ditto, ..... „ 880

**Total Chests 2,800**

**CONDITIONS OF SALE.**

1st. The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2nd. The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which Provision is made by Clause 12 of the Conditions of Sale.

3rd. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday,) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or if the quantity of 2,800 Chests shall not be sold on the day advertized, the Board may dispose of the lots which remain on hand at a future Sale.

4th. Each lot to contain Five Chests.

5th. A deposit in a Promissory Note, either for 25 per Cent. even money, of the amount for which each lot is knocked down, or for Rupees 1,000, at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Saturday, 17th January, or on the other hand failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered

in, shall be re-sold at such time or times and under such Conditions of Re-sale as the Board of Revenue shall see fit, and all losses and expenses whatsoever attending such Re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th. The Promissory Notes taken on the day of Sale, under the last mentioned Condition if remaining unredeemed on the said 17th January, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th. No tender of Money, Sub-Treasurer's Receipts, or Public Securities on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 17th January, will be afterwards accepted.

8th. The Opium, now advertized for Sale, shall be paid for within 15 clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Wednesday, the 28th January 1852, and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or chests shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each Certificate or order, and it is to be clearly understood that the Certificates or orders so taken out shall be considered final, and not afterwards changeable for other Certificates or orders authorizing the delivery of single lots or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each Certificate or order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th. The Officer superintending the Sale, on the part of the Board of Revenue, is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid, or Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset

price, diminishing the same gradually until a bid is obtained, and the first *bona fide* bidder, for a lot after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the 2nd Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of Twenty-five lots, and for the lots so purchased, the purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, or Rupees 1,000 for each lot, and pay the same price per Chest as that for which he purchased his first lot, provided always that there remain a sufficient number of lots of that Opium to complete the said Twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be previously to that date by application to the Office of the Junior Secretary to the Revenue.

No. 1.—Certificate of the Opium now advertised for Sale.

No. 2.—Report of the examination of such Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1850-51, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue, and further, that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchaser on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information respecting weight or quality of the Opium advertised for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight,

abstraction of Opium or adulteration of the Drug, which may be preferred in reference to Chests after the sale and delivery of the Opium for shipment.

18th. The public are hereby informed, that in addition to the quantity abovementioned the following quantities, more or less, of Behar and Benares Opium of 1850-51, will be brought to Sale in the year 1852, on or about the dates specified below :

If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 33,561 Chests of Behar and Benares, as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for Sale at each or any of the Twelve Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail

to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article 6th. "With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that article there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed Three Hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale; it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the Three Hundred Chests hereinbefore mentioned: the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

By order of the Board of Revenue, Fort William,

The following Draft of a proposed Act was read in Council for the first time on the 9th of January 1852.

#### ACT NO. — OF 1852.

*An Act for further Improving the Administration of Criminal Justice in Her Majesty's Courts of Justice in the Territories of the East India Company.*

Whereas offenders frequently escape conviction on their trials, by reason of the technical strictness of criminal proceedings in matters not material to the merits of the case; and whereas such technical strictness may safely be relaxed in many instances, so as to insure the punishment of the guilty, without depriving the accused of any just means of defence, and whereas a failure of justice often takes place on the trial of persons charged with felony and misdemeanor by reason of variances between the statement in the indictment on which the trial is had, and the proof of names, dates, matters, and circumstances therein mentioned, not material to the merits of the case, and by the misstatement whereof the person on trial cannot have been prejudiced in his defence, It is hereby enacted as follows:

**L** From and after the coming of this Act into

The Court may amend certain variances not material to the merits of the case, and by which the defendant cannot be prejudiced in his defence, and may either proceed with or postpone the trial to be had before the same or another jury.

operation, whenever, on the trial of any indictment for any felony or misdemeanor, there shall appear to be any variance between the statement in such indictment and the evidence offered in proof thereof, it shall and may be lawful for the Court before which the trial shall be had, if it shall consider such variance not material to the merits of the case, and that the defendant cannot be prejudiced thereby in his defence on such merits, to order such indictment to be amended, according to the proof, by some officer of the Court or other person, both in that part of the indictment where such variance occurs, and in every other part of the indictment which it may become necessary to amend, on such terms as to postponing the trial to be had before the same or another jury, as such

Court shall think reasonable; and after any such amendment the trial shall proceed, whenever the same shall be proceeded with, in the same manner in all respects, and with the same consequences, both with respect to the liability of witnesses to be indicted for perjury and otherwise, as if no such variance had occurred: provided that, in all such cases where the trial shall be so postponed as aforesaid, it shall be lawful for such Court to respite the recognizances of the prosecutor and witnesses, and of the defendant and his surety or sureties, if any, accordingly, in which case the prosecutor and witnesses shall be bound to attend to prosecute and give evidence respectively, and the defendant shall be bound to attend to be tried, at the time and place to which such trial shall be postponed, without entering into any fresh recognizances for that purpose, in such and the same manner as if they were originally bound by their recognizance to appear and prosecute, or give evidence, at the time and place to which such trial shall have been so postponed: provided also, that where any such trial shall be to be had before another jury, the crown and the defendant shall respectively be entitled to the same challenges as they were respectively entitled to before the first jury was sworn.

**II.** Every verdict and judgment which shall be given after the making of any amendment under the provisions of this Act, shall be of the same force and effect in all respects as if the indictment had originally been in the same form in which it was after such amendment was made.

**III.** If it shall become necessary at any time, for any purpose whatsoever to draw up a formal record in any case where any amendment shall have been made under the provisions of this Act, such record shall be drawn up in the form in which the indictment was after such amendment was made, without taking any notice of the fact of such amendment having been made.

**IV.** In any indictment for murder or manslaughter preferred after the coming of this Act into operation, it shall not be necessary to set forth the manner in which, or the means by which, the death of the deceased was caused, but it shall be sufficient, in every indictment for murder, to charge that the defendant did feloniously, wilfully, and of his malice aforethought kill and murder the deceased, and it shall be sufficient in every indictment for manslaughter to charge that the defendant did feloniously kill and slay the deceased.

**V.** In any indictment for forging, uttering, stealing, embezzling, destroying, or concealing, or for obtaining by false pretences, any instrument, it shall be sufficient to describe such instrument by any name or designation by which the same may be usually known, or by the purport thereof, without setting out any copy or fac-simile thereof, or otherwise describing the same, or the value thereof.

**VI.** In any indictment for engraving, or making the whole or any part of any instrument, matter or thing whatsoever, or for using or having the unlawful possession of any plate, or other material

Verdicts and judgments valid after amendments.

Records to be drawn up in amended form without noticing the amendments.

The means by which the injury was inflicted need not be specified in indictments for murder and manslaughter.

Forms of indictment in cases of forgery and uttering, stealing, and embezzling, or obtaining by false pretences.

In engraving plates, &c.

upon which the whole or any part of any instrument, matter, or thing whatsoever shall have been engraved or made, or for having the unlawful possession of any paper upon which the whole or any part of any instrument, matter, or thing whatsoever shall have been made or printed, it shall be sufficient to describe such instrument, matter, or thing by any name or designation by which the same may be usually known, without setting out any copy or fac-simile of the whole or any part of such instrument, matter, or thing.

VII. In all other cases, wherever it shall be necessary to make any averment in any indictment as to any instrument, whether the same consists wholly or in part of writing, print, or figures, it shall be sufficient to describe such instrument by any name or designation by which the same may be usually known, or by the purport thereof, without setting out any copy or fac-simile of the whole or any part thereof.

VIII. From and after the coming of this Act into operation, it shall be sufficient in any indictment for forging, uttering, offering, disposing of, or putting off any instrument whatsoever, or for obtaining or attempting to obtain any property by false pretences, to allege that the defendant did the act with intent to defraud, without alleging the intent of the defendant to be to defraud any particular person; and on the trial of any of the offences in this section mentioned, it shall not be necessary to prove an intent on the part of the defendant to defraud any particular person, but it shall be sufficient to prove that the defendant did the act charged with an intent to defraud.

IX. And whereas offenders often escape conviction by reason that such persons ought to have been charged with attempting to commit offences, and not with the actual commission thereof; it is enacted, that if on the trial of any person charged with any felony or misdemeanor, it shall appear to the jury upon the evidence that the defendant did not complete the offence charged, but that he was guilty only of an attempt to commit the same, such person shall not by reason thereof be entitled to be acquitted, but the jury shall be at liberty to return as their verdict that the defendant is not guilty of the felony or misdemeanor charged, but is guilty of an attempt to commit the same, and thereupon such person shall be liable to be punished in the same manner as if he had been convicted upon an indictment for attempting to commit the particular felony or misdemeanor charged in the said indictment; and no person so tried as herein lastly mentioned shall be liable to be afterwards prosecuted for an attempt to commit the felony or misdemeanor for which he was so tried.

X. And whereas it is enacted by the 8th Section of Act XXXI of 1838 that "on the trial of any person for any of the offences thereinbefore mentioned, or for any felony whatsoever where the crime charged shall include an assault against the person, it shall be lawful for the jury to acquit of the felony, and to find a verdict of guilty of assault against the person indicted, if the evidence shall warrant such finding;" and

whereas great difficulties have arisen in the construction of such enactment: for remedy thereof it is enacted that the said enactment shall be and the same is hereby repealed.

XI. If upon the trial of any person upon any indictment for robbery, it shall appear to the jury upon the evidence that the defendant did not commit the crime of robbery, but that he did commit an assault with intent to rob, the defendant shall not by reason thereof be entitled to be acquitted, but the jury shall be at liberty to return as their verdict that the defendant is guilty of an assault with intent to rob, and thereupon such defendant shall be liable to be punished in the same manner as if he had been convicted upon an indictment for feloniously assaulting with intent to rob; and no person so tried as is herein lastly mentioned shall be liable to be afterwards prosecuted for an assault with intent to commit the robbery for which he was so tried.

XII. If upon the trial of any person for any misdemeanor, it shall appear that the facts given in evidence amount in law to a felony, such person shall not by reason thereof be entitled to be acquitted of such misdemeanor; and no person tried for such misdemeanor shall be liable to be afterwards prosecuted for felony on the same facts, unless the Court before which such trial may be had shall think fit, in its discretion, to discharge the jury from giving any verdict upon such trial, and to direct such person to be indicted for felony, in which case such person may be dealt with in all respects as if he had not been put upon his trial for such misdemeanor.

XIII. If upon the trial any person indicted for embezzlement as a clerk, servant, or person employed for the purpose, or in the capacity of a clerk or servant, it shall be proved that he took the property in question in any such manner as to amount in law to larceny, he shall not by reason thereof be entitled to be acquitted, but the jury shall be at liberty to return as their verdict that such person is not guilty of embezzlement, but is guilty of simple larceny, or of larceny as a clerk, servant, or person employed for the purpose, or in the capacity of a clerk or servant, as the case may be, and thereupon such person shall be liable to be punished in the same manner as if he had been convicted upon an indictment for such larceny; and if upon the trial of any person indicted for larceny it shall be proved that he took the property in question in any such manner as to amount in law to embezzlement, he shall not by reason thereof be entitled to be acquitted, but the jury shall be at liberty to return as their verdict that such person is not guilty of larceny, but is guilty of embezzlement, and thereupon such person shall be liable to be punished in the same manner as if he had been convicted upon an indictment for such embezzlement; and no person so tried for embezzlement or larceny as aforesaid shall be liable to be afterwards prosecuted for larceny or embezzlement upon the same facts.

XIV. If upon the trial of two or more persons indicted for jointly receiving any property, it shall be proved that one or more of such persons
